

## FINAL DETERMINATION

---

### PERMITTEE

Miami-Dade Water and Sewer Department  
3071 SW 38 Avenue  
Miami, Florida 33146

### PERMITTING AUTHORITY

Florida Department of Environmental Protection (Department)  
Division of Air Resource Management  
Permit Review Section  
2600 Blair Stone Road, MS #5505  
Tallahassee, Florida 32399-2400

### PROJECT

Final Permit No. 0250520-029-AV  
South District Wastewater Treatment Plant

The purpose of this project is to renew the Title V air operation permit for the above referenced facility. The Title V air operation permit was processed sequential review, i.e., draft permit issued first, then followed by the proposed permit.

### PUBLIC NOTICE

A Written Notice of Intent to Issue Air Permit issued to Miami-Dade Water and Sewer Department for the South District Wastewater Treatment Plant located at 8950 SW 232nd St., Miami, Miami-Dade County, was clerked on August 30, 2024.

The Public Notice of Intent to Issue Air Permit was published in the Miami Herald on October 23, 2024. The draft Title V air operation permit was available for public inspection at the permitting authority's office in Tallahassee. Proof of publication of the Public Notice of Intent to Issue Air Permit was received on October 25, 2024.

### COMMENTS

No comments on the draft permit were received from the district office, applicant or public during the 30-day public comment period.

### U.S. EPA REVIEW

The Department forwarded the proposed permit to the U.S. EPA Region 4 Office for their review on November 26, 2024. Comments on the proposed permit were not received from the U.S. EPA Region 4 Office during their 45-day review period (the 45-day review period ended on January 10, 2025).

### CONCLUSION

The final action of the Department is to issue the final Title V air operation permit renewal.
