SUBJECT: Final Clean Air Act Title V Outer Continental Shelf Operating Permit to
Commonwealth Wind, LLC's New England Wind 2 Project

Dear Mr. Clayton:

Enclosed is the final Clean Air Act Title V Outer Continental Shelf (OCS) operating permit issued to Commonwealth Wind, LLC for the operation of the OCS source offshore wind farm: New England Wind 2 (NEW2). The permit shall become effective February 21, 2025 unless an appeal is filed with the Environmental Appeals Board.

You may obtain electronic copies of the final permit, response to comment document, proposed permit, statement of basis and other supporting materials from EPA's web site at:
<https://www.epa.gov/caa-permitting/caa-permitting-epas-new-england-region>.

Thank you for your cooperation. If you have any questions, please contact Pujarini (Rini) Maiti of my staff by phone at 617-918-1625, or by email at maiti.pujarini@epa.gov.

Sincerely,

David W. Cash
