Re: Acknowledgement, Rejection and Referral of Administrative Correspondence

Dear (b) (6) Privacy, (b) (7)(C) Enforcement Privacy

The U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO) is referring a complaint received April 3, 2019 from you, a prisoner incarcerated at the California Medical Facility under the California Department of Corrections. You requested an investigation regarding hazardous/toxic environmental conditions at the California Medical Facility in Vacaville, CA. After careful review, ECRCO cannot accept your complaint for investigation because it does not meet the jurisdictional requirements described in the EPA's nondiscrimination regulation. However, your complaint is being referred to the U.S. Department of Justice (DOJ).

Pursuant to EPA's nondiscrimination regulation, ECRCO conducts a preliminary review of administrative complaints to determine acceptance, rejection, or referral to the appropriate Federal agency. *See* 40 C.F.R. § 7.120(d)(1). To be accepted for investigation, a complaint must meet the jurisdictional requirements described in the EPA's nondiscrimination regulation. First, the complaint must be in writing. *See* 40 C.F.R. § 7.120(b)(1). Second, it must describe an alleged discriminatory act that, if true, may violate the EPA's nondiscrimination regulation (i.e., an alleged discriminatory act based on race, color, national origin, sex, age, or disability). *Id.* Third, it must be filed within 180 days of the alleged discriminatory act. *See* 40 C.F.R. § 7.120(b)(2). Finally, the complaint must be filed against an applicant for, or recipient of, EPA financial assistance that allegedly committed the discriminatory act. *See* 40 C.F.R. § 7.15.

Your correspondence does not meet the jurisdictional requirements of the EPA's nondiscrimination regulation because the California Medical Facility is not a recipient of EPA financial assistance. As a result, the ECRCO must reject your complaint and close this case as of the date of this letter.

As the U.S. Department of Justice (DOJ), Civil Rights Division, Special Litigation Section, may have jurisdiction over the California Medical Facility, the complaint is being referred to DOJ for appropriate action. A copy of the letter to DOJ is enclosed with this correspondence. Please contact Steven Rosenbaum at DOJ for information regarding the referral of this complaint. Mr. Rosenbaum's contact information is: U.S. Department of Justice, Special Litigation Section, Civil Rights Division, 950 Pennsylvania Avenue, N.W., Washington D.C. 20530. We are also forwarding DOJ a copy of your complaint.

If you have any questions about this correspondence, please contact Dale Rhines, Deputy Director, at (202) 564-4174, by e-mail at rhines.dale@epa.gov or by mail at U.S. EPA External Civil Rights Compliance Office, (Mail Code 2310A), 1200 Pennsylvania Avenue, NW, Washington, D.C. 20460.

Sincerely,
