EPA Complaint No. 08NO-24-R9

U.S. Environmental Protection Agency  
Office of Inspector General (2410T)  
1200 Pennsylvania Avenue, N.W. Washington, DC 20460  
[\(202\) 250-8800](tel:(202)250-8800)

**Re: Referral of Administrative Complaint**

Dear EPA Office of Inspector General:

The U.S. Environmental Protection Agency (EPA), Office of Environmental Justice and External Civil Rights Compliance (OEJECR), Office of External Civil Rights Compliance (OECRC), is referring the referenced complaint, received on August 27, 2024, involving the American Samoa Power Authority (ASPA), raising allegations of discrimination on the basis of national origin, in violation of Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., 40 C.F.R. Part 7. Specifically, the Complaint alleges that ASPA is discriminating against native residents on the basis of national origin, by bribing Village Chiefs and leaders to illegally obtain a land use permit and land registration to enable a foreign developer, Tutuila Wind Energy, to develop an area of land called Manunu as a windfarm.

OECRC must reject the Complaint and close it as the date of this letter because the Complaint does not meet OECRC's jurisdictional requirement to describe a timely discriminatory act or omission that, if true, may violate the EPA's nondiscrimination regulation. However, the complaint alleges waste, fraud, and abuse by a recipient of EPA funding; therefore, OECRC is referring this Complaint to your office for appropriate action. OECRC has notified the Complainant of the referral and provided your contact information. Finally, copies of the Rejection Letter and the Administrative Complaint are enclosed in this letter.

If you have any questions about this correspondence, please contact Anhthu Hoang, Acting Director, at (212) 637-5033, or by e-mail at [Hoang.Anhthu@epa.gov](mailto:Hoang.Anhthu@epa.gov).

Sincerely,

Anhthu Hoang  
Acting Director  
Office of External Civil Rights Compliance  
Office of Environmental Justice and  
External Civil Rights
