Re: Resolution of EPA Complaint No. 03R-19-R3

Dear Secretary Caperton and Mr. Wandling:

This letter is to inform you that the U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO) is resolving this complaint based on the enclosed Informal Resolution Agreement (“Agreement”) entered into between EPA and the West Virginia Department of Environmental Protection (WVDEP). On October 17, 2019, EPA accepted for investigation a complaint against WVDEP alleging discrimination on the basis of race against African American descendants of those buried at the Boyd Carter Memorial Cemetery in Kearneysville, West Virginia, in violation of Title VI of the Civil Rights Act of 1964, and EPA’s nondiscrimination regulation, at 40 C.F.R. Part 7. The complaint was assigned EPA Complaint No. 03R-19-R3. Specifically, EPA accepted the following issues for investigation:

1. Whether the WVDEP discriminated against African American descendants of those buried at the Boyd Carter Memorial Cemetery on the basis of race in violation of Title VI of the Civil Rights Act of 1964 and EPA’s nondiscrimination regulation found at 40 C.F.R. Part 7,
 - a. During its public involvement process relating to Mountaineer Gas’ application for Registration No. WVR311281 under WV General Permit No. WV0116815, Stormwater Associated with Oil and Gas Related Construction Activities, including, by limiting their participation and providing allegedly misleading information; and

- b. In its process for approving and approval of Mountaineer Gas' registration under the Stormwater Construction General Permit, which allegedly resulted in the disturbance of graves on the Cemetary grounds; and
2. Whether the WVDEP has and is implementing the procedural safeguards required under 40 C.F.R. Parts 5 and 7 that all recipients of federal assistance must have in place to comply with their general nondiscrimination obligations, including specific policies and procedures to ensure meaningful access to the WVDEP's services, programs, and activities, for individuals with limited English proficiency (LEP) and individuals with disabilities, and whether the WVDEP has a public participation policy and process that is consistent with Title VI and the other federal civil rights laws, and EPA's implementing regulation at 40 C.F.R. Parts 5 and 7.

During the course of EPA's investigation, WVDEP agreed to enter into the Agreement in order to resolve EPA Complaint No. 03R-19-R3. The enclosed Agreement is entered into by EPA pursuant to the authority granted to EPA under the federal nondiscrimination laws, including Title VI and 40 C.F.R. Part 7. It is understood that the Agreement does not constitute an admission by WVDEP of any violation or a finding by EPA of compliance or noncompliance with applicable federal non-discrimination laws and regulation.

The enclosed Agreement does not affect WVDEP's continuing responsibility under Title VI, 40 C.F.R. Parts 5 and 7, and other federal nondiscrimination laws, nor does it affect EPA's investigation of any Title VI or other federal civil rights complaints or address any other matter not covered by this Agreement. This letter sets forth EPA's disposition of the complaint. This letter is not a formal statement of EPA policy and should not be relied upon, cited, or construed as such.

EPA is strongly committed to working with WVDEP as it implements the provisions of the Agreement. If you have any questions regarding this letter and the Agreement between EPA and WVDEP, please contact me at (202) 564-9649 or by e-mail at dorka.lilian@epa.gov.

Sincerely,

The WVDEP may seek technical assistance from EPA in ensuring that this occurs.
- e. The WVDEP will ensure that a Public Involvement/Participation plan (plan) is developed and prominently highlighted on the WVDEP website for the benefit of interested residents, which will explain how interested residents can participate in the permitting process under various environmental laws. This plan should also be posted in other publicly accessible locations such as local public libraries, and WVDEP will ensure that it incorporates the following elements:

1. The WVDEP will conduct an appropriate analysis as described in EPA's LEP Guidance found at 69 F.R. 35602 (June 25, 2004)³ and <http://www.lep.gov>, to identify the appropriate language groups and determine what language services or mix of language services the WVDEP needs to provide (e.g., interpreters and translators), to ensure that limited-English proficient individuals can meaningfully participate in the WVDEP's programs and activities.
2. The WVDEP will develop, publicize, and implement written procedures (a Language Access Plan) to ensure meaningful access to all WVDEP services, programs and activities for individuals with LEP, at no cost to those individuals.

3. The WVDEP will ensure that its facilities and other facilities utilized by the WVDEP (e.g. if the WVDEP holds a public hearing at a school or recreational center) are physically accessible to, individuals with disabilities.
4. Within 120 days of the effective date of this Agreement, the WVDEP will submit to ECRCO for review a draft copy of its Disability Access Plan. ECRCO will review the draft Disability Access Plan and provide any
