

Respectfully, INITIAL INVESTIGATOR

2-18-13

My name is (b) (6) Privacy
(b) (6) Privacy AND I want to report
A Health Hazard at three
different apartment complexes.
There is a Housing Investigation as
you know this issue. But
the problem continues, people
have raw sewage running
through their apartment and the
Landlord Refuses to fix the
problems. People are continuing
sick, and tenants have had
had doctor reports telling the
patient to inform the landlord
that it's something in water
that's making tenants sick.
I sent these pictures as proof
of negligence of the landlord

(b) (6) Privacy. She has 3
different properties that has the
issues, its over tenants, that
basically live in legal code
Building. These properties were
built in 1965, 1971, 1970 and
has no apparent upgrades as
use advised on the Internet.
Thank you for your time

Houston, TX 77021

Re (b)(6) Privacy

(b) (6) Privacy

Dear (b) (6) Privacy

Thank you for your recent correspondence regarding a possible violation of consumer protection laws. Consumer complaints help monitor trends, and assist us in determining enforcement priorities as we work to protect Texans from deceptive business practices.

We will review the information that you have provided, and will contact you if we need additional information. Otherwise, you will not receive further communication from this office regarding your complaint. We do not represent individuals in personal civil matters, and thus cannot take direct action on every complaint.

In matters of statewide significance, or when substantive evidence indicates that a person or business is systemically violating Texas law, the Attorney General may take action on behalf of the collective legal interests of the people of this state.

We appreciate your time and interest in preventing consumer law violations and in the affairs of Texas consumers. We rely on citizens like you to help us enforce the Deceptive Trade Practices Act and other consumer protection laws.

Report an Environmental Violation

[[En Español](#)]

OMB #2020-0032

Use this page to report what appears to you as a possible violation of environmental laws and regulations. Information you submit will be forwarded to EPA environmental enforcement personnel or to the appropriate regulatory authority. [More information.](#)

What Not to Report

Some issues are primarily concerns of other federal, tribal, state or local agencies. [Examples of different situations and who to call.](#)

Emergencies

If you are seeing an environmental event that may lead to **immediate threat** to human health or the environment, you should report it through the [Report Spills and Environmental Violations](#) page. Learn the difference [between a possible violation and an emergency.](#)

A photograph of a kitchen scene. A white refrigerator is the central element, with its door open, showing interior shelves and two drawers. To the right of the refrigerator, a microwave sits on a dark countertop. To the left, another countertop holds a red box, some papers, and other small items. The background shows a window with vertical blinds. The entire image is framed by a thick blue border.
