

TO: Mrs. Erika Farrell (Civil Rights)

I/we are hand-writing this note to file a Complaint(s) against The City of Baton Rouge, East Baton Rouge Parish et al. The North Baton Rouge Sewage Treatment Plant continues to violate the citizens of University Place Subdivision on a daily basis. This Plant has a negative impact on our health and property. The North Baton Rouge Sewer Treatment Plant makes us all ill. I/we are not on a lawsuit against the City Parish, but we should be. I/we have lived here for years. We need help!

Thanks

The Concerned Citizens of University Place Subdivision
