PETITION FOR REVIEW

Pursuant to section 307(b) of the Clean Air Act, 42 U.S.C. § 7607(b)(1), and Rule 15(a) of the Federal Rules of Appellate Procedure, the Coalition for Fair Aerosol Regulation hereby petitions the Court for review of a final action of the U.S. Environmental Protection Agency ("EPA") entitled *National Volatile Organic Compound Emission Standards for Aerosol Coatings Amendments*, published in the Federal Register at 90 Fed. Reg. 5697 on January 17, 2025. This action constitutes final agency action under 42 U.S.C. § 7607, reviewable in this Court. A copy of this action is attached to this petition as Exhibit A.

Respectfully submitted,

/s/ Philip A. Moffat_____

RULE 26.1 CORPORATE DISCLOSURE STATEMENT

Pursuant to Federal Rule of Appellate Procedure 26.1 and D.C. Circuit Rule 26.1, the Coalition for Fair Aerosol Regulation makes the following disclosures:

The Coalition for Fair Aerosol Regulation has no parent companies, and no publicly held company has a 10 % or greater ownership interest. It has not issued shares or debt securities to the public.

The Coalition for Fair Aerosol Regulation is an unincorporated nonprofit trade association, organized and operating under Chapter 11: Unincorporated Nonprofit Associations, of the Code of the District of Columbia, the “Uniform

Unincorporated Nonprofit Association Act of 2010,” as amended. It is a “trade association” for purposes of Circuit Rule 26.1 (b).

It is the mission of the Coalition to advance the interests of its members by working to ensure that regulations affecting members are reasonable and practicable. Membership in the Coalition is open to individuals, companies, and other persons that manufacture, process, distribute, or import aerosol coating products for sale or distribution in interstate commerce in the United States and those who supply such persons with aerosol coatings for sale or distribution in interstate commerce in the United States, and to associations that represent such persons. Current members of the Coalition include manufacturers and processors of aerosol coatings products.

Respectfully submitted,
