Re: Acknowledgement and Rejection of Administrative Complaint

Dear

(b)(6) Privacy, (b)(7)(C) Enf. Priv

This letter is to notify you that on June 24, 2024, the U.S. Environmental Protection Agency's Office of External Civil Rights Compliance (OECRC) received your complaint involving the US Environmental Protection Agency (EPA) and US Food and Drug Administration (FDA).

Pursuant to EPA's nondiscrimination regulation, OECRC conducts a preliminary review of administrative complaints to determine acceptance, rejection, or referral to the appropriate Federal agency. See 40 C.F.R. § 7.120(d)(1). To be accepted for investigation, a complaint must meet the jurisdictional requirements described in EPA's nondiscrimination regulation. First, the complaint must be in writing. See 40 C.F.R. § 7.120(b)(1). Second, it must describe an alleged discriminatory act that, if true, may violate EPA's nondiscrimination regulation (i.e., an alleged discriminatory act based on race, color, national origin, sex, age, or disability). Id. Third, it must be filed within 180 days of the alleged discriminatory act. See 40 C.F.R. § 7.120(b)(2). Finally, the complaint must be filed against an applicant for, or recipient of, EPA financial assistance that allegedly committed the discriminatory act. See 40 C.F.R. § 7.15.

Based on the above, your correspondence does not constitute a complaint that we can accept for investigation as the US Environmental Protection Agency (EPA) and US Food and Drug Administration (FDA) are not recipients of EPA financial assistance. Title VI and the other federal civil rights laws that OECRC administers do not extend to cover federal agencies and apply only to recipients. Accordingly, as of the date of this letter, we are rejecting this complaint for lack of recipient status and will take no further action on this matter.

If you have any questions about the status of this correspondence, please contact me by telephone at (202) 564-3357 or by email at wilson.adam@epa.gov.

Sincerely,

ADAM
