History : I sent an email 5/4/15 about brown water issues with the city. There is bacteria, high iron & high chlorine in the water. I have been using bottled water for 5 months, but still have to shower & wash clothes in brown water. I have contacted DEP, Governor, mayor, city employees, etc. to fix the issues which has not been done. I am disabled & brown water issues are causing more health issues which I was hospitalized for 6/22-26/15. Please help me get clean water. It affects 17 townhouse owners too not just me.
