Good morning,

Please note that herein ....the State of Michigan  
= the MI EGLE and State of Michigan.

*The purpose of my instant email here.... is to submit a completely NEW - TITLE VI discrimination complaint against the Michigan EGLE and City of Flint [e.g. as to intentional discrimination against the AGED and DISABLED and LIMITED ENGLISH SPEAKING Adults in the State of Michigan and City of Flint ) due to Michigan and Flint's [pass the buck onto the Federal Government - and raise the COST of the AFFORDABLE CARE ACT upon ALL doctors in the State of Michigan and thereby REDUCES the quality of CARE which primary and specialists doctors are able to EQUALLY give/ allot to the disabled aged adults such as myself (e.g. which then amounts to unlawful discrimination put against me by the State of Michigan and City*

*of Flint.... because said APRIL 30th, 2025 discriminatory misconduct is ROOTED in the SCAM.... which the State of Michigan and City of Flint have put upon the US EPA via FTCA CLAIMS obstruction on May 9th, 2025] child lead testing rules/ laws - policies and practices as of APRIL 30th, 2025.*

*Here, BOTH the City of Flint and State of Michigan are recipients of FEDERAL US EPA/ FEDERAL AFFORDABLE CARE ACT FUNDING.*

*And... more to the point when viewed very carefully.... the State of Michigan/ Flint child blood testing rules as of April 30th, 2025 --- put forth a FALSE NARRATIVE that the LEAD MONSTER is "all about" and everywhere ...literally lurking in the AIR, SEA, RIVERS, TREES, SOIL, CAR EMISSIONS, WATER, FOOD, FARTS, PEE PEE, and CERTAIN FISH and CERTAIN COSMETICS, and CERTAIN TOILET PAPER, and in CERTAIN POOP [feces]....*

and are coming out of the Television  
and Computer Screens which CHILDREN  
use.... which then MAKES the US EPA  
FTCA claims pertaining to the Flint Water  
Crisis State of Michigan and City of Flint  
obstruction as to such as of [e.g. as of April  
30th, 2025] to be FRAUD, WASTE and  
ABUSE of US EPA/FEDERAL FUNDS.

That is to say --- here, the State of Michigan  
[along with its usual "partner in systemic  
discrimination - the City of Flint Mayor  
Sheldon Neeley and City of Flint  
"leaders"].... have on April 30th, 2025 set in  
FULL motion a discriminatory LEAD  
TESTING rule/ policy and practice.... and  
REFUSED TO PROVIDE ANY FUNDING  
OR STATE BLOOD TESTING FACILITIES  
FOR SUCH.... because the State of Michigan  
knew/ knows full well ---- that its April 30th,  
2025 "child blood testing rule {e.g. policy and  
practice}.... is UTTER NONSENSE.... which  
in REALITY is yet again the silly/  
discriminatory DEMOCRATIC Michigan/MI

EGLE leaders [e.g. which include Michigan Governor Gretchen Whitmer and Michigan AG - Dana NESSEL [HOLLOW and DISCRIMINATORY] efforts to yet again subjugate and render 2nd class citizens [e.g. a modern day - DRED SCOTT ... JIM CROW style] misconduct for sure.... against the disabled adults, aged adults, and WOMEN who need blood testing MORE so than do children --- and further discrimination against limited english speaking adults in the State of Michigan {e.g. which amounts to a STATE DEPORTATION of certain migrants in the State of Michigan and City of Flint ...WITHOUT DUE PROCESS of the laws}; whereby as of APRIL 30th, 2025 ....  
New requirements for blood lead testing of young children: By law, Michigan now requires blood lead testing for all children at 12 months and 24 months of age and at other intervals based on exposure risk. This approach is commonly called “universal blood lead

*testing". It is the physician's responsibility to test or order the test.*

*....please EMAIL me in LARGE PRINT with questions and/ or clarification[s] needed by the US EPA Title VI department as to my instant NEW.... Title VI discrimination complaint against the State of Michigan/ MI EGLE and City of Flint.*

Thank you,

Best,
