this
Ready for Reuse Determination
for the
Crescent Park

In recognition of the City of New Orleans' efforts to investigate and remediate the Crescent Park site, the Louisiana Department of Environmental Quality and the United States Environmental Protection Agency, Region 6 have together determined that this property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of October 16, 2014, a Ready for Reuse Determination is an acknowledgement that environmental conditions at this site are protective of human health and the environment based on its current and anticipated future commercial or industrial use.
