

*On this Day, September 8, 2010,*

**Louisiana Department of Environmental Quality  
U.S. Environmental Protection Agency, Region 6**

Present to

**Micro Chemical Company  
Winnsboro, Louisiana**  
***Ready for Reuse Determination***

In recognition of the Micro Chemical Company's efforts to investigate and remediate its Winnsboro, Louisiana facility, the Louisiana Department of Environmental Quality and the United States Environmental Protection Agency, Region 6 have together determined that this property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of September 8, 2010, a Ready for Reuse Determination is an acknowledgement that environmental conditions at this property are protective of human health and the environment based on its current and anticipated future industrial use.

  
Peggy M. Hatch
