Ready for Reuse Determination

In recognition of Rubicon LLC Geismar Facility's efforts to close and remediate the North and South Impoundments, the Louisiana Department of Environmental Quality and the United States Environmental Protection Agency, Region 6 have together determined that this property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of September 8, 2010, a Ready for Reuse Determination is an acknowledgement that environmental conditions at these units are protective of human health and the environment based on their current and anticipated future industrial use.
