REGION 6
DALLAS, TX 75270

July 31, 2025

Mr. Lynn Fritz
General Manager
A-Line TDS, Inc.
P.O. Box 428
Tonkawa, Oklahoma 74653

RE: The U.S. Environmental Protection Agency Region 6 Approval of Polychlorinated Biphenyl Trial Burn Plan for the Metal Reclaim Furnace and the De-Chlorination Plan at A-Line TDS, Inc. and A-Line TDS Real Estate, LLC. (TDS), in Kay County, Oklahoma; EPA ID No. OKD987087020

Dear Mr. Fritz:

Thank you for submitting your *Metal Recovery Furnace TSCA Compliance Test Plan* and your *Detox Demonstration Plan* on June 6, 2025, in accordance with *Conditions of Approval for Disposal and Commercial Storage of PCBs at A-Line TDS, Inc. and A-Line TDS Real Estate LLC (TDS), Tonkawa, Oklahoma* Section III and Section IV. The EPA has reviewed your submittal and determined the Plan meets the requirements of 40 CFR Part 761 Subpart D.

We hereby approve the PCB trial burn plan and de-chlorination plan provided in the subject documents *Metal Recovery Furnace TSCA Compliance Test Plan* and *Detox Demonstration Plan* submitted for the PCB trial burn and de-chlorination demonstration scheduled the week of August 18, 2025, under authority of §6(e)(1) of the Toxic Substances Control Act and 40 CFR 761.70(d). This approval is subject to change if any new information is identified that could adversely affect the operation of the Metal Reclaim Furnace, De-Chlorination unit, or requirements of 40 CFR Part 761.

The Tonkawa News published a Public Notice announcing the proposed PCB trial burn and de-chlorination demonstration and opening a 30-day public comment period. The EPA Region 6 office received no comments during the comment period which began on June 23, 2025, and closed on July 23, 2025.

The facility shall conduct the PCB trial burn and de-chlorination demonstration in accordance with submitted Plans and *Conditions of Approval for Disposal and Commercial Storage of PCBs at A-Line TDS, Inc. and A-Line TDS Real Estate LLC (TDS), Tonkawa, Oklahoma* Section III and Section IV. The Plans

can be at found at https://www.epa.gov/pcbs/epa-region-6-polychlorinated-biphenyls. Please note that EPA representatives will be on site during the PCB trial burn and the de-chlorination demonstration to observe the tests. After the PCB trial burn and de-chlorination demonstration, A-Line TDS, Inc. will collect and assemble all test results into a report which shall be submitted to the PCB Coordinator, U.S. EPA Region 6 within 120 days of the completion of the test.

If you have any further questions, please contact me, or your staff may contact Dr. Amber Garcia-Arañoz at garciaaranoz.amber@epa.gov or (214)-665-2179.

Sincerely,

Harry Shah
