The city of Chicago Department of Buildings (b)(6) Privacy, (b)(7)(C) Enf. Privacy is also retaliating. I have since been removed off the property and have had a lot of issues in my new unit where I called 311 and was also ignored as me and my children were poisoned with carbon monoxide as my hot water tank had intentional defects with the ventilation. I was ignored for six months by (b)(6) Privacy, (b)(7)(C) Enf. Privacy and my current property management they intentionally put sewage on us again and denied it happened and said I dug in the toilet and staged the incident I have video and pictures and audio of all the things they did in retaliation for speaking up about the issues @ (b)(6) Privacy, (b)(7)(C) Enf.
