

# EPA Seeks Comments on Underground Fluid Injection Draft Permit

Putnam County, Illinois

The U.S. Environmental Protection Agency (EPA) is accepting comments on an underground injection well draft permit for Marquis Carbon Injection, LLC, located in Hennepin, Putnam County, Illinois. If approved, the permit would allow Marquis Carbon Injection, LLC to construct and operate an injection well for underground injection of carbon dioxide produced at its ethanol production facility in Hennepin, Illinois.

EPA plans an availability session and public hearing:

Putnam County High School  
400 East Silverspoon Avenue  
Granville, Illinois

**OCTOBER 15, 2025**

Availability Session: 6 to 8:00 p.m. (Media Room)

**OCTOBER 29, 2025**

Public Hearing: 6 to 8:00 p.m. (Auditorium)

During the session, EPA representatives will be available to engage in conversation with attendees and answer questions. During the hearing, you may comment orally on the draft permit for the record. All who wish to comment orally will be invited to do so, with the per-person time allotment dependent on the number of people who wish to comment.

Submit your comments in writing on or before November 3, 2025 by 11:59 PM Eastern Time to Docket No. EPA-R05-OW-2025-1612 at <https://www.regulations.gov/docket/EPA-R05-OW-2025-1612>. EPA will subsequently respond to all significant comments on the draft permit received at the hearing or submitted in writing on or before November 3, 2025 by 11:59 PM Eastern Time. For additional information, to request review of Administrative Record files including all data submitted by the applicant, or if you are unable to submit comments electronically via the docket please contact Felicia Chase at (312) 886-0240 or [chase.felicia@epa.gov](mailto:chase.felicia@epa.gov). You may review the draft permit at <https://www.epa.gov/node/88753#public-notice>. The Region 5 office of EPA, 77 W. Jackson Blvd., Chicago, IL, 60604 issues this notice. The Administrative Record is maintained by this office.
