RE: Sasol Chemicals (USA), LLC, Frio Sand Injection Interval,  
Proposed Petition Reissuance Decision for WDW-147 and WDW-319

Dear Mr. Shilling:

Based on a detailed technical review of the submitted 2019 petition reissuance and supporting documents, I am proposing to approve your petition reissuance. This petition reissuance is seeking an exemption to the land disposal restrictions of the Hazardous and Solid Waste Amendments of 1984 (HSWA) to the Resource Conservation and Recovery Act (RCRA). Enclosed are the public notice and the fact sheet documents associated with this proposed decision. A final decision regarding the Sasol Chemicals (USA), LLC, Greens Bayou Plant, proposed petition reissuance for the Frio Sand Injection Interval will be made after the end of the public comment period.

We appreciate your cooperation during the petition review process. If you have any questions or comments regarding this matter, please contact Forrest Frederick at [Frederick.Forrest@epa.gov](mailto:Frederick.Forrest@epa.gov) or 214-665-6656.

Sincerely,
