Re: Emerald Transformer Los Angeles, LLC. TSCA Approval CAD050806850 Renewal Application – Approval Administrative Continuation

Dear Shirrell Tingle,

The United States Environmental Protection Agency Region 9 (EPA) received your correspondence on April 24, 2024, containing the TSCA Commercial Storage Permit Renewal Application, Emerald Transformer Los Angeles, LLC EPA ID# CAD050806850 (Application). The Application was delivered to EPA.

Section VI.D.1 of the current Emerald Transformers Los Angeles LLC TSCA Approval states that the conditions of the current Approval shall administratively continue beyond the expiration date if, “Emerald Transformers Los Angeles LLC has submitted an Application for renewal to U.S. EPA in accordance with Subsection VI.E of this Approval” and “U.S. EPA, through no fault of Emerald Transformers Los Angeles LLC, does not issue a new Approval with an effective date on or before the expiration date of this Approval.”

EPA has not fully reviewed the Application or made any decision associated with it, but EPA acknowledges receipt of the Application and that it constitutes written notice of Emerald Transformer Los Angeles, LLC’s intent to seek renewal in accordance with Section VI.E.1 of the current Approval. The current conditional Approval shall administratively continue until EPA issues a new Approval to Emerald Transformer Los Angeles, LLC. EPA may require additional information from Emerald Transformer Los Angeles, LLC to facilitate review of the Application.

If you have any questions, please contact me directly at (415) 972-3163 or via email at goral.sean@epa.gov.
