- 3:00 PM** Break
- 3:15 PM** Board Discussion - Philip Day and Chad Cross, HSRB Co-Chairs

Charge to the Board – Science:

Is the protocol “Mancozeb: Liquid Spray On-Farm Potato Seed Treatment Study to Determine Dermal and Inhalation Exposure of Workers to Mancozeb during the On-Farm Treating, Loading, and Planting of Treated Potato Seed Pieces” likely to generate scientifically reliable data, useful for estimating and assessing the exposure of those who conduct on-farm potato seed treatment, loading, and planting?

Discussants:

, Science Review

, Science Review

, Statistics Review

, Statistics Review

Charge to the Board – Ethics:

If amended to address the EPA’s and the HSRB’s recommendations, is the research likely to meet the applicable requirements of 40 CFR part 26, subparts K and L? Discussant:

, Ethics Review

5:00 PM Adjournment – Tom Tracy, DFO
