RE: The U.S. Environmental Protection Agency Region 6 Approval of Polychlorinated Biphenyl Trial Burn Plan for the Metal Recovery Furnace at A-Line TDS, Inc. and A-Line TDS Real Estate, LLC. (TDS), in Kay County, Oklahoma; EPA ID No. OKD987087020

Dear Mr. Fritz:

Thank you for submitting the revised *Metal Recovery Furnace TSCA Compliance Test Plan* and *Quality Assurance Project Plan* (the Plan) on September 30, 2025, along with subsequent email correspondence, in accordance with *Conditions of Approval for Disposal and Commercial Storage of PCBs at A-Line TDS, Inc. and A-Line TDS Real Estate LLC (TDS), Tonkawa, Oklahoma* Section III and Section IV and the extension of the Toxic Substances Control Act authorization for commercial storage and disposal of PCBs issued on September 15, 2025. The EPA has reviewed your submittal and determined the Plan meets the requirements of 40 CFR Part 761 Subpart D.

We hereby approve the PCB trial burn plan as provided in the above-mentioned documents and the supplemental information communicated via email on October 10, 2025, for the PCB trial burn scheduled the week of November 3, 2025, under authority of §6(e)(1) of the Toxic Substances Control Act and 40 CFR 761.70(d). This approval is subject to change if any new information is identified that could adversely affect the operation of the Metal Recovery Furnace or the requirements of 40 CFR Part 761.

A-Line TDS, Inc. shall conduct the PCB trial burn in accordance with submitted Plan and *Conditions of Approval for Disposal and Commercial Storage of PCBs at A-Line TDS, Inc. and A-Line TDS Real Estate LLC (TDS), Tonkawa, Oklahoma* Section III and Section IV. The Plan can be at found at https://www.epa.gov/pcbs/epa-region-6-polychlorinated-biphenyls. Please note that EPA representatives may be on site during the PCB trial burn to observe the test. After completing the PCB trial burn, the facility will collect and assemble all test results into a report which shall be submitted to

the PCB Coordinator, U.S. EPA Region 6 by January 6, 2026, as stated in the extension of the TSCA authorization for commercial storage and disposal of PCBs issued on September 15, 2025.

If you have any further questions, please contact me, or your staff may contact Dr. Amber Garcia-Arañoz at garciaaranoz.amber@epa.gov or (214)-665-2179.

Sincerely,
