

EPA Seeks Comments on Draft Reissuance of Land Ban Exemption

Romulus, Michigan

The U.S. Environmental Protection Agency (EPA), Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604, is accepting comments on its proposed reissuance of a land ban exemption for Class I Hazardous fluid injection wells for Republic Industrial & Energy Solutions LLC (RIES) located at 28470 Citrin Drive, Romulus, Wayne County, Michigan. Two wells are currently used to inject hazardous wastewater received at the RIES facility. RIES provided a petition requesting to reissue its land ban exemption for these two wells.

EPA plans a public hearing:

Romulus Athletic Center
35766 Northline Road
Romulus, Michigan
NOVEMBER 5, 2025
6:00 to 8:00 p.m.

During the hearing, you may comment orally on the draft exemption reissuance for the record. All who wish to comment orally will be invited to do so, with the per-person time allotment dependent on the number of people who wish to comment.

You may submit written comments about EPA's draft exemption reissuance on or before November 6, 2025 by 11:59 PM Eastern Time to Docket No. EPA-R05-OW-2025-1775 at <https://www.regulations.gov/docket/EPA-R05-OW-2025-1775>. If you are unable to submit electronically via the docket or would like additional information including that maintained in the administrative record, please call Colin Murphy at (312) 886-6941. You may review the draft exemption reissuance at <https://www.epa.gov/node/88753#public-notice>.
