State Certification:

This Notice also serves as a Public Notice of the intent of the New Mexico Environment Department and Surface Water Quality Bureau to consider issuing Clean Water Act (CWA) Section 401 Certification. Such certification reasonably ensures that the permitted activities comply with applicable New Mexico Water Quality Standards, including the antidegradation policy and the statewide water quality management plan. The NPDES permit will not be issued until the certification requirements of Section 401 have been met. If you wish to comment on State Certification, please submit written comments within 30 days to:
