---

<sup>1</sup> The authority granted by this Order shall also apply to proceedings under those other provisions in Title 40 that utilize 40 C.F.R. Part 22 procedures. *See, e.g.*, 40 C.F.R. Part 17 (applications for awards under the Equal Access to Justice Act that require filing and service consistent with Part 22); 40 C.F.R. § 66.91 (Clean Air Act enforcement hearings governed by 40 C.F.R. Pursuant to the authority delegated to the Administrative Law Judges by the Administrator in Delegation Number 1-37, the authority granted by this Order shall also apply to proceedings under other provisions in Title 40 that do not expressly incorporate the Part 22 procedures. *See, e.g.*, 40 C.F.R. Part 7 (nondiscrimination in programs or activities receiving federal assistance from the EPA); 40 C.F.R. Part 78 (providing that the Environmental Appeals Board may refer an appeal under the Acid Rain program to the Chief Administrative Law Judge to conduct an evidentiary hearing to resolve disputed facts).

<sup>2</sup> This Standing Order does not mandate electronic filing. Rather, it authorizes the use of electronic filing in addition to the following filing methods: U.S. mail; commercial delivery service, and personal delivery. For documents submitted through these means, the inked date stamp physically applied by the Administrative Law Judges Division to the paper copy of the documents will continue to serve as the official record of the date and time of filing. All parties

The conditions and limitations set forth herein may be amended or revoked generally or in regard to a specific case or group of cases by further order of the Chief Administrative Law Judge in his sole discretion at any time. In addition, the Administrative Law Judge presiding in a specific case may issue an order modifying these conditions and limitations if deemed appropriate in his or her discretion.

### **General Filing Requirements**

The Administrative Law Judges Division has created the ALJD E-Filing System, a web-based tool that allows registered users to file documents electronically. The ALJD E-Filing System is accessible at [www.epa.gov/alj](http://www.epa.gov/alj).

Any party choosing to file electronically must first register with the ALJD E-Filing System at <https://yosemite.epa.gov/OA/EAB/EAB-ALJ Upload.nsf/>. To be considered timely, documents submitted through the ALJD E-Filing System must be received by 11:59 p.m. Eastern Time on the day the document is required to be filed. Immediately upon submission to the ALJD E-Filing System, the document will be stamped with the official filing date and time. The ALJD E-Filing System will generate an electronic receipt of the submission that will be sent by email to both the party submitting the document and the Headquarters Hearing Clerk. There may be a delay of approximately one half hour between document submission and transmission of the electronic receipt.

A motion and associated brief may be filed together through the ALJD E-Filing System. However, any documents filed in support of a brief, motion, or other filing, such as copies of proposed exhibits submitted as part of a prehearing exchange, should be submitted separately as an attachment. Where there are multiple attachments, they should be filed together in a single electronic file, to the extent technically practicable.

Please be advised that sending a document to the e-mail address of a staff member within the Administrative Law Judges Division, or sending a document to [aljfiling@epa.gov](mailto:aljfiling@epa.gov), rather than submitting it through the official ALJD E-Filing System, does **NOT** constitute electronic filing unless otherwise specified in writing by the Presiding Officer.

### **Satisfaction of Specific Rule Requirements**

The Consolidated Rules of Practice require that “[t]he original of any filed document (other than exhibits) shall be signed by the party filing or by its attorney or other representative.” 40 C.F.R. § 22.5(c)(3). Documents filed through the ALJD E-Filing System shall

are on notice that the Tribunal’s ability to receive U.S. mail and commercial deliveries on a daily basis is limited. Personal delivery is by appointment only; parties are required to contact the Headquarters Hearing Clerk in advance of a filing deadline to schedule an appointment for personal delivery. Thus, timely receipt and filing of a document submitted by these means is not assured.

be deemed to satisfy this signature requirement and that of any other provisions of Title 40 of the Code of Federal Regulations that require a signature. *See, e.g.*, 40 C.F.R. § 27.26(a)(3) (discussing requirement for a signature); 40 C.F.R. § 78.4(a)(1) (same). By filing a document through the ALJD E-Filing System, a party, or its attorney or other representative, represents that the signatory has read the document, that to the best of his or her knowledge the statements made therein are true, and that the document is not interposed for delay. 40 C.F.R. § 22.5(c)(3). The full name of the filing party, or of its attorney or other representative, shall be typed or printed below the signature line of the electronically filed document. A copy of each document filed in the proceeding shall be served on each party, and a certificate of service must accompany each document filed through the ALJD E-Filing System. *See* 40 C.F.R. § 22.5(a)(3), (b).

The Consolidated Rules of Practice state that “[t]he original and one copy of each document intended to be part of the record shall be filed with the Headquarters or Regional Hearing Clerk, as appropriate, when the proceeding is before the Presiding Officer . . .” 40 C.F.R. § 22.5(a)(1).<sup>3</sup> A party who files through the ALJD E-Filing System is hereby deemed to have satisfied this requirement for duplicate filing, as well as other provisions of Title 40 of the Code of Federal Regulations that require duplicate filing. *See, e.g.*, 40 C.F.R. § 27.26(a)(1) (discussing requirement to file an original and two copies); 40 C.F.R. § 78.4(d) (same); 40 C.F.R. § 164.5 (same); 40 C.F.R. § 209.11 (same). Documents filed through the ALJD E-Filing System shall also be deemed served on the Presiding Officer. *See* 40 C.F.R. § 22.5(b).

### **Confidential Business Information**

The ALJD E-Filing System is **NOT** equipped either to accommodate or to protect the privacy of Confidential Business Information (“CBI”). Whenever a document is filed through the ALJD E-Filing System, the Presiding Officer will consider all business confidentiality claims **WAIVED**. A party submitting information to the Administrative Law Judges Division for which a claim of confidentiality is made must do so by filing copies of that information in the manner described in the Consolidated Rules of Practice as modified by the Headquarters Hearing Clerk Pilot Program. *See* 40 C.F.R. § 22.5(d); *see also* 40 C.F.R. Part 2. However, a redacted version of the document alleged to contain CBI may be filed through the ALJD E-Filing System so long as the party claiming confidentiality also files the unredacted version in accordance with the aforementioned requirements. *See* 40 C.F.R. § 22.5(d).
