BRP WM 08A NPDES Stormwater General Permit

**Notice of Intent for Discharges from Small Municipal Separate
Storm Sewer Systems (MS4s)**

W 035216

Transmittal Number

Facility ID (if known)

A. Instructions

Important: When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

Submission of this Notice of Intent constitutes notice that the entity named at item B1. of this form intends to be authorized by the DEP General Permit issued jointly with EPA for stormwater discharges from the small municipal separate storm sewer system (MS4), in the location identified at item B2. of this form. Submission of the Notice of Intent also constitutes notice that the party identified at item B1. has read, understands and meets the eligibility conditions of Part I.B. of the NPDES Small MS4 General Permit, agrees to comply with all applicable terms and conditions of the NPDES Small MS4 General Permit, and understands that continued authorization to discharge is contingent on maintaining eligibility for coverage. **In order to be granted coverage, all information required on BRP WM 08A, including the Stormwater Management Program Summary and Time Frames form, must be completed. Please read the permit and make sure you comply with all requirements, including the requirement to develop and implement a stormwater management program.**

B. Applicant Information

1. Small MS4 Operator/Owner Information:

Erik G Mansfield - WW Technician

Name

44 Centennial Grove Road

Mailing Address

Essex

City/Town

(978)-768-6262

Telephone Number

MA 01929

State

emansfield@essexma.org

Email (if available)

2. Municipality Name

Town of Essex

City/Town

3. Legal Status:

☐ Federal

☒ City/Town

☐ State

☐ Tribal

☐ Private

☐ Other public entity:

Specify Public Entity

4. Other regulated MS4(s) within municipal boundaries:

Commonwealth of Massachusetts / Route 133

5. Based on the instructions provided in Part I of the NPDES Small MS4 General Permit, have the eligibility criteria for "listed species" and critical habitat been met?

☐ yes

☒ pending

☐ no

B. Applicant Information (cont.)

Received
5-16-03

BRP WM 08A NPDES Stormwater General Permit Notice of Intent for Discharges from Small Municipal Separate Storm Sewer Systems (MS4s)

Facility ID (if known)

6. Based on the instructions provided in Part I of the NPDES Small MS4 General Permit, have the eligibility criteria for protection of historic properties been met?

☒ yes ☐ pending ☐ no

Note:
Section C may
be duplicated to
accommodate a
larger list of
receiving waters

E. Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

ATTACHMENT 1

MEASURABLE GOALS

SX1 – Distribute flyers with information about what hazardous waste day is about and what it hopes to accomplish. Post banners around town to inform the public of dates and locations.

SX2 – Send out flyers with water bills informing the public of the benefits of water conservation.

SX3 – Distribute flyers to home owners and business owners on the effects of fertilizers and chemical lawn and garden products.

SX4 – Work with Elementary School to develop a classroom education program.

SX5 – Work with local girl and boy scouts on a drain stenciling program.

SX6 – Work with the Elementary School with poster drawing and getting the children out into Town to see where the drains start and where they end.

SX7 – Add more programs to the current hazardous waste day to increase amounts of materials.

SX8 – Work with Board of Health to make sure we are made aware of all failing septic systems.

SX9 – Continue to issue permits for all connections to the Towns storm drain systems.

SX10 – Continue with the current storm water sampling program implemented in 1996.

SX11 – Periodic inspections of outfalls to determine if street sweeping and catch basin cleaning is adequate.

SX12 – Work with Conservation Commission to ensure construction site inspections are being performed and that the contractors are maintaining all barriers.

SX13 – Visually inspect construction site entrances and exits to ensure streets are clean.

SX14 – Work with Conservation Commission to ensure correct and proper placement of silt fences.

SX15 – Work with the Planning Board to look at alternative pavers as an option for developments.

SX16 – Visually inspect catch basins on private roads and work with homeowners to develop a plan that addresses cleaning and maintenance.

SX17 – Work with Planning Board to reduce the amount of street curbing used in new developments.

SX18 – Build a truck wash bay for cleaning Town vehicles. The Town has already appropriated the funds for this project.

SX19 – Look at current street sweeping schedule and determine if it is adequate.

SX20 – Look at current cleaning schedule and inspect basins in between cleanings to determine if it is adequate.

SX21 – Repair broken drain lines and catch basins that may have collapsed.

SX22 – Build a new salt storage facility. The Town has already appropriated the funds for this project.

SX23 – Install a public sewer system. The Town of Essex is currently in the process of installing a public sewer system.

Your unique Transmittal Number can be accessed through DEP's web site or by calling the DEP InfoLine as listed on the last page of this document

Massachusetts Department of Environmental Protection Transmittal Form for Permit Application and Payment

Instructions

1. Please type or print. A separate Transmittal Form must be completed for each permit application.

2. Your check should be made payable to the Commonwealth of Massachusetts. Please mail your check along with a copy of this form to: DEP, P.O. Box 4062, Boston, MA 02211.

3. Three (3) copies of this form will be needed.

Copy 1 (the original) must accompany your permit application.
Copy 2 must accompany your fee payment.
Copy 3 should be retained for your records

4. Both fee-paying and exempt applicants must mail a copy of this transmittal form to DEP, P.O. Box 4062, Boston, MA 02211

MEASURABLE GOALS

SX24 – Create a Town wide Bylaw allowing fines for illicit discharges to the storm drain system. Work with Conservation Commision and Board of Health to create and enforce Bylaw.

SX25 – Create a Town wide Bylaw allowing fines for construction site runoff violations. Work with Conservation Commision and Planning Board to create and enforce Bylaw outside of the wetlands protection area.

SX26 – Create a Town wide Bylaw allowing fines for post construction site runoff violations. Work with Conservation Commision and Planning Board to create and enforce Bylaw outside of the wetlands protection area.

SX27 – Maintain current outfall map and update when needed.
