Title: Town Administrator

Date: May 17, 2010

Part II. Self-Assessment

The Town of Boxborough has completed the required self assessment and has determined that our municipality is in compliance with all permit conditions.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7	Planned Activities – Permit Year 8(**Reliance on non-municipal partners indicated)
1.1	Educate the community by informing them that any dumping into town storm drains is illegal.	CC, BoH	Prepare brochure for distribution Post information on CC & BoH web page.	Brochure being drafted as part of illicit storm drain connection bylaw implementation. No progress.	Distribution to residents and business owners in 2010/2011 Put information on the town website.
1.2	Distribute information regarding the following items: - function and proper maintenance of private wells and septic systems with any well and septic permit. - the use of detergents, fertilizers, and other potentially harmful practices. - the use of environmentally friendly products.	CC, BoH	Prepare brochure for distribution in 2007. Post information on CC & BoH web page.	Final brochure distributed to residents and business owners in 2008. Information on town website. Distributed EPA's "The Solution to Stormwater Pollution" brochure at annual Town Meeting on May 10, 2010	Continue to distribute information at various Town sponsored events, Town Meeting and on the Town's web page.

1.3	Distribute information explaining the hazards of dumping hazardous materials and the importance of participating in Hazardous Waste collections.	BoS, BoH, DPW	Prepare brochure and distribute at the town transfer station.	Brochure distributed at least two weeks prior to the collection date – publicized date in the local newspaper, on town website and via BoS email list.	Distribute information similar to last year. Hazardous Waste Collection day to be held in Fall 2010
1.4	Develop Stormwater Management Plan	PB	Prepare Stormwater Management Plan.	Hazardous Waste Collection day held October 26, 2009 Draft Plan prepared in previous years. No progress on Draft Plan.	Make necessary revisions to the Stormwater Management Plan
1.5	Develop pet waste program for municipal & conservation land	BoS, CC, DPW, TP	Develop informational pamphlet Provide proper waste disposal items at municipal and conservation land	Eagle Scout project placed pet waste bags and disposal cans at two heavily used conservation lands. Waste pick-up coordinated with DPW. Pet waste issues included in BoH and CC brochure	Purchase and install additional waste pick-up and disposal cans at other municipal and conservation lands.

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 8
2.1	Water Resources Committee	BoS, CC, PB, BoH	Put water quality monitoring under the WRC's charge.	Water Resources Committee formed and Committee has been monitoring water quality reports and assessing pollution issues	Committee will continue to monitor reports and follow-up on any pollution issues
2.2	Implement a stewardship program for conservation lands.	BoS, CC	Volunteer stewardship program adopted	Land Stewardship Committee has evaluated most heavily used trails and began correcting drainage issues through construction activities.	LansCom will continue to evaluate drainage issues on existing trails and will be recommending improvements to the CC for implementation in fall 2010

2.3	Evaluate the Use Schedule of the Zoning Bylaw to further regulate uses that may impact groundwater quality.	PB	Prepare Article for changing Use Schedule so that Automobile fuel/service stations and repair garages are allowed by special permit instead of by right. Hold public hearings in 2010	Automobile service stations and repair garages allowed only by Special Permit accepted by Town Meeting in 2004	
2.4	Public hearings on Draft Stormwater Management Plan	PB, BoS		Town currently updating Master Plan. No progress on Draft Stormwater Management Plan. Update to Subdivision Rules & Regulations completed April 2010	Hold public hearing, incorporate changes and have Plan accepted by PB & BoS

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 8
3.1	Map the location of all catch basins, manholes, pipes, outfall pipes, and the names of all waters that receive discharges from those outfalls on GIS.	DPW	Number of drainage facilities mapped.	All catchbasins and outfalls mapped with GPS and imported into Town's GIS system.	
3.2	Dry Weather Screening and mapping of Outfalls.	DPW, BoH	Map outfalls and perform inspections.	All outfalls mapped with GPS. No progress on dry weather screening	Dry weather screening scheduled for August 2010
3.3	Develop a System for removal, clean-up, and mitigation of Illicit Discharges once detected.	PB, BoH	Number of illegal discharges that have been detected.	No illegal discharges detected	Continued enforcement.

3.4	Stencil all storm drains with "NO DUMPING – Drains to the Environment" stencils. Illicit discharge bylaw	DPW	Stencil basins	No progress on development of stencil	Develop stencil and stencil drains in summer 2010
3.5		BoS, BoH, DPW	Implementation and enforcement of Illicit Discharge Bylaw.	Illicit discharge bylaw adopted by Town Meeting in 2007	Continued enforcement

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 8
4.1	Review existing regulations for adequate construction site erosion and post-construction stormwater management.	CC, PB, BoH	Amendments to existing regulations and develop standard conditions of approval.	Regulations have been put into place requiring the submission of erosion control plans and standard conditions of approval. ECP form adopted requiring inspections by Town's consulting engineer at specific times during construction Updated Subdivision Rules & Regulations adopted April 2010 and include LID measures and current BMP measures	Continued enforcement of site construction erosion control measures. In 2010-2011, PB update Site Plan Rules & Regulations to incorporate current LID and BMP measures.
4.2	Building Inspector to aggressively enforce regulations and bylaws pertaining to construction run-off.	BoS, BI, TP	Number of enforcement orders issued.	No enforcements issued Town's consulting engineer conducted site visits of current construction projects during April floods	Continued enforcement of site construction erosion control measures.

4.3	Erosion Control Plan	PB, TP	Submission of Erosion Control Plan for subdivisions and commercial developments	Regulations have been put into place requiring the submission of erosion control plans and standard conditions of approval. A revised ECP form adopted requiring inspections and sign-off by Town's consulting engineer at specific times during construction. Updated Subdivision Rules & Regulations adopted April 2010 and include LID measures and current BMP measures	Continue implementation of regulation and conditions and inspections. In 2010-2011, PB update Site Plan Rules & Regulations to incorporate current LID and BMP measures.

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 8
5.1	Review existing regulations for adequate construction site erosion and post-construction stormwater management.	CC, PB, BoH	Amendments to existing regulations and develop standard conditions of approval.	Updated Subdivision Rules & Regulations adopted April 2010 and include LID measures and current BMP measures	Continued enforcement of site construction erosion control measures. In 2010-2011, PB update Site Plan Rules & Regulations to incorporate current LID and BMP measures.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 7 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 8
6.1	Minimize the use of road salt.	DPW	Miles of public road where a reduced salt mix has been used.	DPW used a reduced salt mix ratio: (25%NaCL to 75% Sand)	Continue to use a reduced salt mixture for winter of 2010-2011.

6.2	Sweep all streets and town parking lots annually by June 1 st .	DPW	Miles of streets swept.	All streets swept by June 1, 2010	Sweep all streets by June 1, 2011
6.3	Clean all town catch basins annually.	DPW	Number of catch basins cleaned	All catch basin cleaned by November 1, 2009	Clean all town catch basins by November 1, 2010
6.4	Test Water Quality in municipal buildings once every two years.	BoH	Number of tests performed.	Blanchard Memorial School/Fire/Police water tested on a regular basis as a Community Water Supply.	Continue testing every 2 years
6.5	Municipal employee training.	BoS, DPW	Establish procedures to train municipal employees on using BMPs for all municipal operations	No action to date	Draft employee training manual
6.6	Monitor 21E sites and their clean up.	BoH	Number of sites monitored.	Continue to monitor all open 21E Sites.	Continue to monitor all open 21E sites
6.7	Track failed septic systems on GIS	BoH, TP	Number of failed systems mapped.	No failed systems mapped to date.	Continue failed septic system failure mapping on GIS.
6.8	Continue groundwater monitoring program along with Site Plan Approval and continue to monitor groundwater quality reports prepared by the Littleton Water Department. Track results on GIS.	BoH, PB, TP	Require groundwater monitoring for all commercial operations requiring Site Plan Approval from the Planning Board.	Commercial Site Plans groundwater monitoring was conducted by Littleton Water Department. 2 commercial Site Plan Approvals issued with groundwater monitoring well and annual testing required as a condition of approval	Continue commercial groundwater monitoring. Put Groundwater Monitoring information on GIS.

(BoS: Board of Selectmen; PB: Planning Board; TP: Town Planner; BI: Building Inspector; BoH: Board of Health; CC: Conservation Commission; DPW: Public Works Director)

7. Certification of Eligibility – Endangered Species Act & National Historic Preservation Act

Based upon the NHESP Priority Habitat Map, the Town does not discharge into any Priority Habitats of Endangered Species and meets the eligibility criteria. Massachusetts Historical Commission has previously submitted a letter regarding no impact under the National Historic Preservation Act.

8. Discharges into Water Quality Impaired Waters

The Town does not discharge into any water quality impaired waters.

9. Discharges into Waters with Approved Total Maximum Daily Load Allocations

The Town does not discharge into any waters with approved TMDL allocations.

10. Stressed Basins

The Town has reviewed the *Stressed Basins in Massachusetts* report. The Town of Boxborough is not located within any basins identified as a “high” or “medium” stressed.
