Title: Chairman, Water and Sewer Commission

Date: April 12, 2006

Part II. Self-Assessment

The Town of Marblehead Water and Sewer Commission has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.

The Town has continued to implement the Best Management Practices (BMPs) outlined in its Stormwater Management Plan, and has made significant progress toward improving stormwater management in Marblehead. As discussed in detail for each BMP in Part III below, the Town has completed many BMPs and is achieving continuous progress on others. However, the implementation schedule for some BMPs has been delayed, and the responsibility for implementing some BMPs has been reassigned. In the coming year, the Town will reassess the viability of some of these BMPs, and may propose alternative strategies to meet the permit conditions.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
1-1	Speakers for classroom discussion on tours.	Superintendent, Water and Sewer Commission	Call two schools per year to notify.	Contacted the schools for a third time, and again discovered no interest in or time for adding storm water education to the curriculum.	Will approach the school again in 2006 to determine if any interest has developed.
1-2	5-minute news spot produced and broadcast on local TV	Superintendent, Water and Sewer Commission	Conduct news spot. Scheduled for twice during permit term.	The DPW and local cable television station have not been able to produce a news spot.	The DPW will research to determine if an existing program is available for purchase and broadcast.
1-3	Staff community farm stand, distribute information	Superintendent, Water and Sewer Commission	Staff farm stand one day per year.	The scheduled date was cancelled due to rain.	Schedule staff attendance at the farm stand for August 2007.
1-4	Brochures available at DPW and Public Library	Superintendent, Water and Sewer Commission	Make two different brochures available.	Brochures are available.	Continue stocking and displaying brochures.

1a. Additions

	None

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
2-1	Follow public notification guidelines for public meetings.	Superintendent, Water and Sewer Commission	Post meeting notices.	Post meeting notices.	Continue to post meeting notices.
2-2	Annual Household Hazardous Waste Collection Day and Used Oil Collection	Director, Board of Health	1 haz. Waste day per year; 2 oil collection days per year.	Held one hazardous waste and used oil collection day.	Schedule hazardous waste and used oil collection day or days for year 5.
2-3	Youth group stenciling	Superintendent, Water and Sewer Commission	50 catch basins stenciled per year for 2 years.	The Town did not conduct stenciling due to concerns about the safety and liability of youth group working in streets.	Revise this BMP to have Water and Sewer staff stencil 200 catch basins during Year 4.
2-4	Seedlings to youth group for planting	Recreation, Parks and Forestry Dept.	10 seedlings per year for 2 years.	400 seedlings were planted in the Town conservation areas as part of a reforestation program.	The program will continue over year 5.

2a. Additions

	None				
--	------	--	--	--	--

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
3-1	Map outfalls and receiving waters	Superintendent, Water and Sewer Commission	Complete map.	Not applicable—BMP completed in Year 1.	None—BMP is complete.
3-2	Develop and present draft storm sewer bylaw	Superintendent, Water and Sewer Commission	Draft bylaw, present to Town Meeting.	Internal development of the bylaw is complete.	Bylaw will be presented to Town Meeting May 7.
3-3	Dry weather field screening of outfalls	Superintendent, Water and Sewer Commission	Two complete rounds during first permit term.	None.	Conduct dry weather screening of inland outfalls during August/September.
3-4	Develop and implement illicit connection detection program	Superintendent, Water and Sewer Commission	TV storm drains, eliminate illicit as found, with goal of TVing as much of system as possible during first permit term.	Television inspections were conducted in 2006 extensive cleaning and television inspection has been conducted in previous years. In total, over nine miles of storm drain has been cleaned and inspected during the permit period	TV inspections will be continued in year 5.

3a. Additions

	None				
--	------	--	--	--	--

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
4-1	Develop/present ordinance for E&SD control and plan review	Superintendent, Water and Sewer Commission	Draft bylaw, present to Town Meeting.	Complete internal revisions of the bylaw.	Bylaw to be presented to Town Meeting May 7.
4-2	Receive and consider public comment	ZBA, Planning Board, ConCom	Public allowed to comment at public meetings.	Open meetings are held; interested citizens and groups are notified and public comment is allowed.	Continue current procedures.
4-3	Continue/improve review procedures for site plans	ZBA, Planning Board, ConCom	Add stormwater quality review to required scope.	Water and Sewer Commission reviews all plans involving 3 or more units (and some with less than 3 units) regarding stormwater issues.	Continue current procedures; incorporate checklist into review procedures.
4-4	Notify local boards and commissions of enforcement procedures	Planning Board, ConCom, ZBA, Building Dept.	Review procedures, notify boards/commissions	Boards are informed about enforcement procedures.	None—BMP is complete.

4a. Additions

	None				
--	------	--	--	--	--

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
5-1	Recommend a BMP Manual for Use by Planners and Developers	Planning Board, Conservation Commission	Select BMP Manual	Not applicable –BMP completed in Year 1.	None – BMP complete.
5-1	Ordinance for controls for new & redevelop, including O&M	Superintendent, Water and Sewer Commission	Draft bylaw, present to Town Meeting.	Complete internal revisions of the bylaw.	Bylaw to be presented to Town Meeting May 7.

5a. Additions

	None				
--	------	--	--	--	--

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 4 (Reliance on non-municipal partners indicated, if any)	Planned Activities – Permit Year 5
6-1	Identify sensitive areas within the Town	Superintendent, Water and Sewer Commission	Sensitive areas identified and mapped.	BMP was completed in Year 2.	None – BMP complete.
6-2	Continue CB cleaning program, improve record keeping	Director, DPW	Maintain CB cleaning program maintain records.	Cleaned approximately 2000 catch basins. Accounts for all identified CBs on system.	Continue program.
6-3	Continue sweeping each street at least twice annually	Director, DPW	Sweep each street twice a year.	Street sweeping occurs continuously. Entire Town completed in March. Maintenance sweeping completed in sub-basins throughout year.	Continue program.
6-4	Continue to not use pesticides on Town property	Recreation, Parks and Forestry Dept.	No pesticides used.	Used no pesticides.	Continue using no pesticides.
6-5	Complete tree survey, include long term	Recreation, Parks and Forestry Dept.	Complete survey/plan	Completed survey in Year 1.	None—BMP complete.
6-6	Implement long term forestation plan	Recreation, Parks and Forestry Dept.	Implement survey and plan.	The Marblehead Conservancy provided 400 seedlings for planting.	Continue plan implementation, annually.
6-7	Provide training to DPW, W&S, and Rec.	DPW, Water and Sewer, and Recreation	Change in measurable goal: Training of new employees. Training on an as-needed basis.	Training done with all new employees and on an as-needed basis.	Continue training of new employees and training on an as-needed basis.
6-8	Place additional barrels for pet waste collection in parks	Recreation, Parks and Forestry Dept.	Three additional barrels.	Not applicable—barrels were added to parks in Year 1.	None—BMP complete.
6-9	Maintain covered salt storage; calibrate salt spreaders yearly	Director, DPW	Shed maintained, spreaders calibrated.	The shed was maintained, and the spreaders were calibrated.	Maintain shed and calibrate spreaders at least once.

6-10	Encourage treatment of MS4 discharges	Water and Sewer, ZBA, Conservation Commission	Identify opportunities to incorporate treatment of municipal stormwater discharges into proposed projects and current operations.	The Water and Sewer Department reviewed approximately two private development plans and negotiated the installation of stormwater treatment systems. The developers typically provide the treatment units, and Water and Sewer will maintain them.	Continue this practice when feasible.
