Part II. Self-Assessment

The stormwater article was distributed to all City residents this year. The City continues to maintain signs, stencils, and other materials developed in previous years.

City field crews continue to mark up stormwater system maps printed from the latest GIS layer. The GIS will be updated as budget allows. The Department of Public Services has researched and installed software/hardware which will enhance the capabilities of this department in upcoming years.

The draft Stormwater Management Ordinance (Ordinance) and draft Stormwater Rules and Regulations (Rules) are still in review by the Mayor. These documents are expected to go to City Council for approval in the upcoming year.

The City continues to follow good housekeeping and pollution prevention procedures with street sweeping, catch basins, and other municipal operations.
