Title: Town Administrator

Date: May 28, 2008

Part II. Self-Assessment

The Town of Somerset has completed the required self-assessment and has determined that our municipality complies with the required conditions. Since mapping of the Stormwater system and any illicit discharge locations is scheduled to occur by Year Five, the town is continuing to verify compliance with the endangered species portion of the Stormwater L

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 5 (Reliance on non-municipal partners indicated, if any)	Planned Future Activities –
1.a.	Air SW message on cable, two weeks quarterly	Conservation Commission	# messages aired; # weeks aired	2 messages; 6 weeks	Achieve minimum four messages; 8 weeks air time, targeting spring and summer for additional messages and air time.
Revised		Planning/GIS Staff			
1.b.	Add Stormwater information to web site	Administrator's Office/G. Mandeville	Include SWMP, general information, and links	- Maintained information and links; - SWMP download available for public review.	- Continue to maintain information and links. - Amend site to include mechanism to count number of visitors to web site. - Track # hits/visitors to Stormwater information
Revised		Administrator's Office and Planning/GIS Staff			
1.c.	Distribution of posters, plan, and informative literature to various departments	Conservation Commission/C. Wardell	Limit distribution of materials to Town Hall only.	- Posters and plan displayed in and outside Conservation Commission, Building, Planning and Board of Health Office. - Planning Department began distributing a NPDES advisory (dated July 1, 2003) to developers/landowners seeking permit approvals.	Required in permit year 1 only, however information will remain on display and Planning Department will continue to distribute advisory literature.
Revised					
1.d.	Inform Residents of Town's recycling programs and household hazardous waste	Administrator's Office/G. Mandeville; Fire Department/S. Rivard	Distribute information to all residents by web site and cable access.	Information at Town web site, including Fall River disposal facility.	- Maintain web site information and update schedule when necessary; - Include mechanism to track # hits/visitors to web site; - Work with Administrator's office and Web Administrator to reformat web site to improve visibility and accessibility of information.
Revised			# Visitors to web site; # messages/air time on cable access; Due to current budget climate, delete direct mailing.		

#1.e.	Existing Practice: Presentation of environmental programs to local organizations and schools	Conservation Commission/C. Wardell	Include Stormwater as a topic in environmental programs	Due to current staffing levels and work loads, the Town has been reevaluating the ability of this task to be performed by Town Staff.	- Liaise with school department to explore inclusion of stormwater topic into environmental curriculum taught by teachers in the classroom; - Contact non-profit organizations to perform environmental programs free of charge.
Revised		TBD by Town

1a. Additions

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 5 (Reliance on non-municipal partners indicated, if any)	Planned Future Activities –
2.a. Revised	Existing Practice: Household Hazardous Waste Collection Days	Fire Department/ S. Jepson	Secure funding to continue program	- Funding to continue program is no longer available; - Department subsidized (1) Hazardous Waste Collection Day	Continue to seek funding to continue the program in the future.
2.b. Revised	*Collect and Recycle Waste Oil	Fire Department/S. Jepson	Collect waste oil on household hazardous waste collection days.	- Waste Oil collected on (1) day. <i>*Waste Oil is disposed of either on Hazardous Waste Collection Days or residents may take waste oil to an Incinerator facility in Fall River, Monday – Friday</i>	Continue to seek funding to continue the program in the future.
2.c. Revised	Spring Stream Clean-up Day	Conservation Commission/C. Wardell	Hold volunteer-driven clean-up day once per year	2006 held Taunton River clean up day.	- Contact non-profit organizations to help run future programs; - Measure tonnage weight or number of bags/large items of debris collected; # volunteers
2.d. Revised	Storm Drain Stenciling Program	Highway Department/Conservation Commission	Identify and stencil priority storm drains by Fall '04; 40% of total # of storm drains stenciled by end of Permit Year Two.	- Generalized locations of Priority Storm drains mapped in GIS; - Stencil supplies purchased; - Administration prohibited use of volunteers to perform stenciling, due to safety and liability;	Stenciling process is under way and will be complete by early summer 2008.
		Highway Department/Fitzgerald & Planning/GIS Staff	Stencil all priority storm drains by end of Permit Year Three (rep. approx. 50% of storm drains)	Due to Highway staff shortage (2 positions), stenciling process is moving slowly and has not progressed as quickly as we had anticipated.	

2.e.	Public review of Stormwater Management Plan	Administration/ J. McAuliffe	Post SWMP on Town web site, in library, and at Highway Dept.	Web site amended to include response form. No responses or comments received.	- Amend web site to include mechanism to track #hits/visitors to the site; - Work with Administrator's office and Web Administrator to reformat web site to improve visibility and accessibility of information.
Revised		Administration/ G. Mandeville	# responses or comments received; # visitors to site
