Part II. Self-Assessment

The Town of Lanesborough has completed the required self-assessment and has determined that our municipality is in compliance with all permit conditions.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities
1 Revised	Create a Stormwater Program	Department of Public Works, Planning Board, Conservation Commission, Board of Health, Board of Selectmen	Lanesborough will present to the public at a public meeting Lanesborough’s draft Comprehensive Stormwater Management Program.	Lanesborough continued to publicly review implementation of Lanesborough’s Comprehensive Stormwater Program. A public workshop presentation was held in June 2007.	Lanesborough will continue to publicly review implementation of Lanesborough’s Comprehensive Stormwater Program.
2 Revised	Create a Stormwater Program	Department of Public Works	Lanesborough will identify appropriate sources of funding assistance (SRF, 319 Grant Program, 604(b) Grant Program, Lakes & Ponds Grant Program, Source Water Protection Grant Program, Recycling Grant Program) and apply for assistance in implementing portions of Lanesborough’s Comprehensive Stormwater Management Program, including public education and outreach.	The Town continues to seek funding sources; however, no additional funding was received in the permit year. The Town applied for a MassWorks grant to improve safety on Summer Street, which included drainage improvements. However, the application was not approved.	The Town will continue to seek funding sources; however, no additional funding was received in the permit year.

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities
3 Revised	Address specific groups	Department of Public Works	Distribute EPA and other relevant educational brochures to targeted audiences. Distribution points include Town Hall, Library, and Transfer Station.	The Town is in receipt of EPA educational materials on disc for easy printing and distribution. Brochures have been printed and made available at the Town Hall. The Friends of Pontoosuc Lake distributed their biannual newsletter to a targeted mailing list and make available copies at various locations throughout Town.	Brochures will continue to be made available at the Town Hall. The Friends of Pontoosuc Lake will distribute their biannual newsletter to a targeted mailing list and make available copies at various locations throughout Town.
4 Revised	Target groups likely to impact storm water	Department of Public Works	Brochures targeting specific audiences and activities will be available. These target groups include homeowner and lawn maintenance activities, disposal of household waste, and pet maintenance.	See BMP 3	See BMP 3
5 Revised	Identify alternative information sources	Board of Selectmen	Lanesborough will develop a website to post public meetings on water quality issues and links to water quality education sites at DEP and EPA.	Lanesborough has developed a town website: www.lanesborough-ma.gov . Meeting minutes are posted. Links to Friends of Pontoosuc Lake and Berkshire Regional Planning Commission are also on the website, as well as links to recycling programs, the Commonwealth of Massachusetts, and other educational materials.	Lanesborough will continue to update the town website: www.lanesborough-ma.gov .

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities
10	Storm drain stenciling	Department of Public Works	Lanesborough will work with the Housatonic Valley Association in continuing its support of storm drain stenciling.	The Town has stenciled catch basins in the downtown area and in the neighborhood of Lanesborough Elementary School.	The Town will continue to identify other opportunities for residents to contribute to the stormwater program.
Revised					
11	Community clean-ups	Department of Public Works, Lanesborough Conservation Commission	Town of Lanesborough will encourage local stream team cleanups through Friends of Pontoosuc Lake. Town will provide notice of event. Town will provide trucks and other material to support cleanup efforts and disposal of materials.	The first weekend in June every year the Town provides trash pick-up service for lake shore clean-up at Pontoosuc Lake. The clean up took place in June 2011. Town wide clean up is held in the spring each year. During this reporting period the cleanup took place on May 7, 2011. The cleanup was advertised on the local access channel. One DPW truck and two private trucks were used to transport waste for proper disposal.	A cleanup is planned for June 2012. A cleanup is scheduled for April 21, 2012.
Revised					
					The Town continues to encourage and support local stream cleanups. Friends of Pontoosuc Lake intend to collaborate with the Town and the Highway Department to further implement stormwater watershed maintenance programs.

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9 (Reliance on non-municipal partners indicated, if any)	Planned Activities
12	Organize Water Quality Monitoring	Board of Selectmen	Town will work with the Friends of Pontoosuc Lake in the collection and dissemination of data from the association's monitoring and sampling program. Data will be made available to the public through newsletters and brochure distribution.	The Friends of Pontoosuc Lake Newsletter is published each spring and distributed to Town residents. The newsletter includes information about the meetings, lake maintenance, and project descriptions occurring at the lake. Water quality monitoring continued at Pontoosuc Lake.	The Friends of Pontoosuc Lake Newsletter will be published and distributed to Town residents. Water quality monitoring will continue at Pontoosuc Lake and results are made available through Friends of Pontoosuc Lake.
