Part II. Self-Assessment

The Town of Mendon was issued a NPDES Stormwater General Permit in March, 2003. The Town has completed a self-assessment and has determined that we are in compliance with all permit conditions, including:

- Sheet flow inspection and reporting on a quarterly basis
- Inspection of material storage
- Annual employee training for spill and pollution prevention
- Completion and compliance with Illicit Discharge Plan
- Completion and compliance with Non-Stormwater Discharge Bylaw
- Compliance with Tier II reporting requirements
- Completion and compliance with Spill Prevention Control and Countermeasures Plan
- Compliance with Endangered Species routines
- Site compliance with established SWPPP
- Ongoing implementation and improvement of SWMP
- Maintenance of reporting and record keeping of established plans

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 11 (Reliance on non-municipal partners indicated, if any.)	Planned Activities – Permit Year 12
