Part II. Self-Assessment

The Town had developed a Stormwater Management Plan with program priorities for 2003-2008 including:

1. Achieving regulatory compliance, particularly EPA and DEP Phase II NPDES permit requirements;
2. Incorporating storm water protection measures into municipal activities;
3. Focusing activities on target pollution reduction (e.g. Section 303.d. waters and protecting the Town's water supply);
4. Ensuring that the Program is current and innovative; and
5. Providing Program administration.

The Water Quality Stewardship element of the program will focus on the protection of the local water supply and addressing the State's Section 303.d waters located within the Town. To this end, staff will continue to develop and improve the Program activities to reduce storm water pollution to the maximum extent practicable and eliminate prohibited non-storm water discharges, while facilitating understanding and involvement in storm water management by various Town departments. Program priorities will also focus on increased efforts to reduce target pollutants and restore local water bodies.

The Town is committed to working with local watershed associations and local businesses to advance their goals and objectives. Another high priority of staff will be to keep abreast of the latest technology and approaches to achieve storm water management. Program activities will also strive to encourage environmental stewardship and continue to build on partnerships with other agencies, neighboring towns, and the community for active participation in accomplishing the Program mission.

The activities performed during Permit Year Nine focused on revisions to the Town's Stormwater bylaws, active involvement in the Plymouth-Carver aquifer committee, and updating the Town's MS4 map within the urbanized area.

Part III. Summary of Minimum Control Measures

1. Public Education and Outreach

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9	Planned Activities
1.a.	Distribute/post non-point source pollution poster	Town Manager	Post in public spaces	Pet Waste public notices posted on trails/adjacent to surface water bodies. HHW day notices posted.	Repost stormwater education posters in schools/town offices.
1.b.	Air stormwater message on local cable access channel	Town Manager	Post one message every month	Local cable access broadcasts periodic meetings of the Plymouth-Carver aquifer committee. These broadcasts discuss Stormwater management and promote pollution prevention.	Continue to air stormwater messages on local cable access channel and add the messaging to the Town's website.
1.c.	Obtain and distribute auto repair shop brochures	Highway Department	Distribution to all impacted local businesses	Was completed in past permit years. Stormwater messages mailed in water bills.	Updated brochures to be mailed to auto repair shops.
1.d.	Add stormwater information to town's Website	Town Manager	Update information quarterly to address seasonal concerns	Change in IT staff during this permit year. Item to be addressed next permit year.	Add stormwater information to Town's website.

2. Public Involvement and Participation

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9	Planned Activities
2.a.	Expand Citizen's Advisory Committee	Town Manager	Hold quarterly meetings	NA. Town was unable to maintain involvement and activity in this committee.	Town plans to develop and pursue other public participation efforts that should be more successful. This effort will be coordinated with the General Permit reissuance to ensure that it meets any new requirements.
<u>Additional Activities:</u> During the Spring and Summer and Fall of 2011, the Nemasket River Stream Survey was conducted by an all-volunteer group. All volunteers were trained through the Mass Riverways program. Additionally, during the Spring of 2012, all-volunteer Middleborough Mess Movers conducted cleanups in various parts of town. Additionally, Town representatives continue to meet with the Plymouth Carver Aquifer Advisory Committee to address the Weweantic River.					

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9	Planned Activities
2.b.	Collect and recycle waste oil from residents	Highway Department	Collect waste oil at least once per month from residents	Completed. Waste oil collection and recycling offered at landfill. Helped sponsor 6 HHW collection as part of the South Shore Recycling Coop.	Continue waste oil collection program.
2.c.	Collect paint from residents	Highway Department	Collect paint from residents on at least a quarterly basis	Completed. Paint collection offered at landfill.	Continue paint collection program
2.d.	Implement a Catch Basin Stenciling Program	Highway Department	Stencil 25% of catch basins each year	Stenciling on-going. Approximately 748 of the catch basins stenciled during this past year.	Continue stenciling program (target 20%)

3. Illicit Discharge Detection and Elimination

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) – Permit Year 9	Planned Activities
3.a.	Map outfalls and receiving waters	Highway Department	Map 25% of outfalls that drain urbanized areas each year	Town-wide inventory of CBs/DMHs/outfalls on-going and recently compiled and updated in their GIS system. The Town has mapped 158/192 streets within their Urbanized Area. Outfalls: 102, CB: 902, Manholes: 439, BMP's: 20.	Town to collect data on the remaining streets within the urbanized area as required by draft EPA permit
3.b.	Review existing bylaws and regulations	Planning Department	Determine if existing bylaws and regulations fulfill EPA requirements	As a result of 2011-2012 review, a new draft bylaw was drafted during the past year. It is currently being reviewed by the Town bylaw review committee with a target of Fall 2012 for public hearing/Town Meeting.	Achieve buy-in/acceptance of draft bylaw by Bylaw review committee and present at public hearing.
3.c.	Develop Illicit Discharge Detection & Elimination Plan	DPW	Make recommendations for inclusion into proposed plan	Completed IDDE Plan being modified to comply with draft 2010 stormwater permit to include ranking of catchment areas.	Complete ranking of catchment areas

3.d.	Develop/Modify General Illicit Discharge Bylaw	Planning Department	Propose recommendations for modifying/developing bylaw	See 3.b	See 3.b
BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) Permit Year 9	Planned Activities --
3.e.	Present Bylaw for Town Meeting Action	Planning Department	Propose recommendations for modifying/developing bylaw	Delayed until BMP I.D. 3.d is completed	Introduce bylaw modifications once finalized by the Planning Department.

4. Construction Site Stormwater Runoff Control

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) Permit Year 9	Planned Activities --
4.a.	Review existing site inspection practices	Planning Department	Determine if existing practices fulfill EPA requirements	Completed. Existing site inspection practices reviewed.	Re-examine existing site inspection practices per the draft EPA General Permit once it is finalized.
4.b.	Develop/modify site inspection program	Planning Department	Make recommendations for modifying existing program	Completed. No modifications required.	Re-examine existing site inspection program per the draft EPA General Permit once it is finalized.
4.c.	Review existing bylaws and regulations	Planning Department	Determine if existing bylaws and regulations fulfill EPA requirements	As a result of 2011-2012 review, a new draft bylaw was drafted during the past year. It is currently being reviewed by the Town bylaw review committee with a target of Fall 2012 for public hearing/Town Meeting.	Achieve buy-in/acceptance of draft bylaw by Bylaw review committee and present at public hearing.
4.d.	Develop/modify bylaw for construction site runoff	Planning Department	Propose recommendations for modifying/developing bylaw	See 4.c	See 4.c
4.e.	Present Bylaw for Town Meeting Action	Board of Selectmen	Propose recommendations for modifying/developing bylaw	Delayed until BMP I.D. 4.d is completed	Introduce bylaw modifications once finalized by the Planning Department.

Additional Activities:

- During 2011-2012, the Conservation Commission held 21 hearings. The Conservation Agent as well as the Construction Administrator for the Planning Department conduct frequent visits (up to 2x/day as necessary) to construction areas to ensure proper stormwater controls are being implemented per the Planning Board Permit/Order of Conditions.

5. Post-Construction Stormwater Management in New Development and Redevelopment

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) Permit Year 9	Planned Activities
5.a.	Review existing site inspection practices	Planning Department	Determine if existing practices fulfill EPA requirements	Completed. Existing site inspection practices reviewed.	Re-examine existing site inspection practices per the draft General Permit once it is finalized.
5.b.	Develop/modify inspection and maintenance practices	Planning Department	Make recommendations for modifying existing practices	Completed. No modifications required.	Re-examine existing site inspection practices per the draft EPA General Permit once it is finalized.
5.c.	Review existing bylaws and regulations	Planning Department	Determine if existing bylaws and regulations fulfill EPA requirements	As a result of 2011-2012 review, a new draft bylaw was drafted during the past year. It is currently being reviewed by the Town bylaw review committee with a target of Fall 2012 for public hearing/Town Meeting.	Achieve buy-in/acceptance of draft bylaw by Bylaw review committee and present at public hearing.
5.d.	Develop/modify bylaws for post-construction site runoff	Planning Department	Propose recommendations for modifying/developing bylaw	See 5.c.	See 5.c
5.e.	Present Bylaw for Town Meeting Action	Planning Department	Propose recommendations for modifying/developing bylaw	Delayed until BMP I.D. 5.d is completed	Introduce bylaw modifications once finalized by the Planning Department.

6. Pollution Prevention and Good Housekeeping in Municipal Operations

BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) Permit Year 9	Planned Activities
----------	-----------------	-------------------------------	--------------------	-----------------------------------	--------------------

6.a.	Street Sweeping Program	Highway Department	Sweep all streets at a minimum twice per year	Annual street sweeping performed by DPW. This included 18 days of sweeping within the urbanized area of Middleborough	Continue annual sweeping of streets
6.b.	Catch basin cleaning program	Highway Department	Check catch basins quarterly and clean up to twice per year	Completed. Annual catch basin inspection and cleaning performed by DPW. This included 998 catch basins.	Continue annual catch basin cleaning program.
BMP ID #	BMP Description	Responsible Dept./Person Name	Measurable Goal(s)	Progress on Goal(s) Permit Year 9	Planned Activities
6.c.	Perform site visits to examine existing practices at facilities	Highway Department	Target all applicable municipal facilities	Corrective action on oil/hazardous materials storage completed at the Highway Garage.	Corrective action at other municipal facilities previously audited.
6.d.	Train municipal employees at each town facility	Highway Department	Target all applicable municipal facilities	3 municipal employees attended DEP-sponsored stormwater workshop.	Annual follow-up to continue.
6.e.	Perform follow-ups to ensure required practices are met	Highway Department	Target all applicable municipal facilities	Corrective action on oil/hazardous materials storage completed at the Highway Garage.	Corrective action at other municipal facilities previously audited.
