

Subpart	Description	Delegated	Comments
	<b>Part 63 National Emission Standards for Hazardous Air Pollutants (NESHAP)</b>		
JJJJJ	Industrial, Commercial, Institutional Boilers and Process Heaters - Area Sources	See comment.	NH is delegated only for sources required to be permitted under Section Env-A 607.01(a),(b),(c)
M	Perchloroethylene Dry Cleaning	See comment.	NH is delegated Subpart M for Title V permitted sources only.
A	General Provisions	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
AA	Phosphoric Acid Manufacturing Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
AAAA	Municipal Solid Waste Landfills	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
AAAAA	Lime Manufacturing Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
BB	Phosphate Fertilizers Production Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
BBBBB	Semiconductor Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
CC	Petroleum Refineries	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
CCC	Steel Pickling-HCl Process Facilities and HCl Regeneration Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
CCCC	Manufacturing of Nutritional Yeast	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
CCCCC	Coke Ovens: Pushing, Quenching, and Battery Stacks	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
D	Compliance Extensions for Early Reductions	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
DDD	Mineral Wool Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
DDDD	Plywood and Composite Wood Products	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
DDDDD	Industrial, Commercial, and Institutional Boilers and Process Heaters	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
EE	Magnetic Tape Manufacturing Operations	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
EEE	Hazardous Waste Combustors	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
EEEE	Organic Liquids Distribution (non-gasoline)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
EEEEE	Iron and Steel Foundries	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
F	Synthetic Organic Chemical Manufacturing Industry (SOCMI)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
FFFF	Miscellaneous Organic Chemical Manufacturing (MON)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
FFFFF	Integrated Iron and Steel Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
G	SOCMI: Process Vents, Storage Vessels, Transfer Operations, and Wastewater	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
GG	Aerospace Manufacturing and Rework Facilities	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
GGG	Pharmaceuticals Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
GGGG	Solvent Extraction for Vegetable Oil Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
GGGGG	Site Remediation	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
H	Equipment Leaks	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
HH	Oil and Natural Gas Production Facilities	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
HHH	Natural Gas Transmission and Storage Facilities	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
HHHH	Wet-Formed Fiberglass Mat Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
HHHHH	Miscellaneous Coating Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
I	Processes Subject to the Negotiated Regulation for Equipment Leaks	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
II	Shipbuilding and Ship Repair (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
III	Flexible Polyurethane Foam Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
IIII	Auto and Light Duty Trucks (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
IIIII	Mercury Cell Chlor-Alkali Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
J	Polyvinyl Chloride and Copolymers Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
JJ	Wood Furniture Manufacturing Operations	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
JJJ	Group IV Polymers and Resins	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
JJJJ	Paper and Other Web (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
JJJJJ	Brick and Structural Clay Products Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
KK	Printing and Publishing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
KKKK	Metal Can Coating	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
KKKKK	Clay Ceramics Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
L	Coke Oven Batteries	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
LL	Primary Aluminum Reduction Plants	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
LLL	Portland Cement Manufacturing Industry	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
LLLL	Asphalt Processing and Asphalt Roofing Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
MM	Chemical Recovery at Kraft, Soda, Sulfite, and Stand-Alone Semichemical Pulp Mills	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
MMM	Pesticide Active Ingredient Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
MMMM	Miscellaneous Metal Parts and Products (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
MMMMM	Flexible Polyurethane Foam Fabrication Operation	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022

N	Hard and Decorative Chromium Electroplating and Chromium Anodizing Tanks	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
NNN	Wool Fiberglass Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
NNNN	Large Appliances (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
NNNNN	Hydrochloric Acid Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
O	Ethylene Oxide Sterilization Facilities	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
OO	Tanks-Level 1	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
OOO	Manufacture of Amino/Phenolic Resins	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
OOOO	Fabric Printing, Coating and Dyeing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
PP	Containers	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
PPP	Polyether Polyols Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
PPPP	Plastic Parts (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
PPPPP	Engine Test Cells/Stands	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
Q	Industrial Process Cooling Towers	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
QQ	Surface Impoundments	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
QQQ	Primary Copper Smelting	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
QQQQ	Wood Building Products (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
QQQQQ	Friction Products Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
R	Gasoline Distribution Facilities (Bulk Gasoline Terminals and Pipeline Breakout Stations)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022.
RR	Individual Drain Systems	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
RRR	Secondary Aluminum Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
RRRR	Metal Furniture (Surface Coating)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
RRRRR	Taconite Iron Ore Processing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
S	Pulp and Paper Industry	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
SS	Closed Vent Systems, Control Devices, Recovery Devices and Routing to a Fuel Gas System or a Process	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022.
SSS	Surface Coating of Metal Coil	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
SSSS	Refractory Products Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
T	Halogenated Solvent Cleaning	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
TT	Equipment Leaks - Control Level 1	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
TTT	Primary Lead Smelting	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
TTTT	Leather Finishing Operations	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
TTTTT	Primary Magnesium Refining	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
U	Group 1 Polymers and Resins (Elastomers)	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
UU	Equipment Leaks - Control Level 2	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
UUU	Petroleum Refineries: Catalytic Cracking Units, Catalytic Reforming Units, and Sulfur Recovery Units	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022.
UUUU	Cellulose Products Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
UUUUU	Coal-and Oil-Fired Electric Utility Steam Generating Units	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
VV	Oil-Water Separators and Organic-Water Separators	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
VVV	Publicly Owned Treatment Works	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
VVVV	Boat Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
W	Epoxy Resins Production and Non-Nylon Polyamides Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
WW	Storage Vessels (Tanks)-Control Level 2	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
WWWW	Reinforced Plastic Composites Production	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
X	Secondary Lead Smelting	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
XXX	Ferroalloys Production: Ferromanganese and Silicomanganese	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
XXXX	Rubber Tire Manufacturing	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
Y	Marine Tank Vessels Load Operations	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
YY	Generic MACT Standards	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
YYYY	Stationary Combustion Turbines	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
ZZZZ	Reciprocating Internal Combustion Engines	Delegated	New Hampshire is delegated the Part 63 standards indicated, except as noted in the comments. NH incorporated the standards by reference into Env-A 500, as amended through July 1, 2022
