

Brownfields Job Training Support

The U.S. EPA Brownfields and Land Revitalization Program can provide coordinated technical assistance to help plan, prepare, and strengthen local Brownfields Job Training (BFJT) programs. The three complementary support channels described below can help guide an organization from pre-application through program design and capacity building. For more information on the U.S. EPA Brownfields and Land Revitalization Program, visit: www.epa.gov/brownfields

EPA Regional Coordinators

Explain rules, requirements, compliance, and official guidance, including:

- Confirm eligibility or application requirements.
- Clarify grant conditions, deadlines, threshold items, or allowable costs.
- Address reporting and compliance issues.
- Understand regional funding priorities or opportunities.

Regional Technical Assistance to Brownfields (TAB) Providers

Share perspectives on brownfields, job training connections and application support, including:

- Guidance on navigating the application process.
- Review of draft applications.
- Review training course descriptions.
- General questions about brownfields in your region.
- Connections to regional resources or partners.

BFJT Technical Assistance

Build capacity for program design, implementation and best practices, including:

- Curriculum planning.
- Employer engagement and partnership development.
- Tracking outcomes, data collection, and performance metrics.
- Program Sustainability planning.
- Access to tools, templates.
- Individualized 1-on-1 consultations for tailored support.

Note: Assistance related to implementation support is not available to applying entities during an open Notice of Funding Opportunity.
