RE: Rejection of EPA Complaint No. 12-26-R2

Dear Commissioner Dalton:

As you are aware, the U.S. Environmental Protection Agency (EPA), Office of Civil Rights and Adjudication (OCRA), External Civil Rights Division (ECRD) received the above-referenced complaint against New York City Department of Social Services, Human Resources Administration (NYCHRA). The complaint raises allegations of discrimination by NYCHRA on the basis of disability by:

1. failing to act on complaints filed by Complainant alleging disproportionate exposure to toxic conditions in Complainant's apartment;
2. concealing environmental records; and
3. certifying the Complainant's apartment as compliant with the New York City administrative code, while the apartment was uninhabitable due to the illegal erection of a partition wall.

This letter serves to notify you that ECRD is rejecting the complaint.

Pursuant to EPA's nondiscrimination regulation, ECRD must conduct a preliminary jurisdictional review of administrative complaints to determine whether to accept, reject, or refer it to an appropriate federal agency. *See* 40 C.F.R. § 7.120(d)(1). To be accepted for investigation, a complaint must meet the jurisdictional requirements described in EPA's nondiscrimination regulation.

First, the complainant must submit a complaint in writing. *See* 40 C.F.R. § 7.120(b)(1). Second, the entity that the complainant identifies as allegedly engaging in discrimination must be an applicant for, or recipient of, EPA financial assistance. *See* 40 C.F.R. § 7.15.

Third, the complainant must describe an alleged discriminatory act that, if true, may violate EPA's nondiscrimination regulation. *See* 40 C.F.R. § 7.120(b)(1). An alleged discriminatory act is one based on race, color, national origin, sex, age, or disability. Fourth, a complainant must file the complaint within 180 days of the alleged discriminatory act. *See* 7.120(b)(2).

After careful consideration, ECRD must reject this complaint because NYCHRA is not a recipient of EPA financial assistance.

Finally, EPA's nondiscrimination regulation prohibits applicants, recipients, and other persons from intimidating, threatening, coercing, or engaging in other discriminatory conduct against anyone because they have acted or participated in an action to secure rights protected by the civil rights requirements EPA enforces. *See* 40 C.F.R. § 7.100. Any individual that opines a recipient has engaged in such misconduct can file a complaint with EPA.
