Tip or Complaint: I am a disabled individual who was disproportionately exposed to toxic conditions in housing designated as unfit for human habitation. Government agencies failed to act on complaints, concealed environmental records, and certified the property as compliant while excluding humans due to toxicity. This constitutes environmental injustice under Title VI of the Civil Rights Act and Executive Order 12898, as enforcement failures had a disparate impact on a disabled tenant. I request EPA oversight, Title VI investigation, and independent environmental and forensic testing..I was and still being discriminated against by the involved New York City agencies (HPD, DOB, HRA), New York State agencies (DHCR, court system), private landlords and management companies, and a licensed pesticide company (b) (6) Privacy, (b) (7)(C) Enf.
