RE: PRIA M007 – Request to grant Exclusive Use of data as provided by FIFRA Section 3(c)(1)(F)(ii) for Mefentrifluconazole Revysol™ Fungicide Technical (EPA Reg. No. 7969-402)

Dear Ms. Unnikrishnan:

With this letter, BASF is submitting a request to grant exclusive use extension for the data for Revysol™ Fungicide Technical (EPA Reg. No. 7969-402, mefentrifluconazole). BASF is providing a rationale (MRID 52818701) and supporting information for 22 minor crops to establish that at least nine of these crops meet the criteria and qualify for extending the exclusive use period for mefentrifluconazole for 3 years.

Mefentrifluconazole was first registered by EPA on June 27, 2019. BASF conducted field residue trials and generated the data in support of the crop groups listed in the rationale. These field trial data were previously submitted by BASF as follows.

Minor Use Crops in Rationale (MRID 52818701)	Related Crop Field Trials - MRID(s)
Berries - Strawberry	50926604
Leafy Vegetables – Broccoli, Head lettuce, Leaf lettuce, Mustard greens, Spinach	50926615
