Re: Authorization to discharge under NHG580000 General Permit.

Dear Sir/Madam,

Please consider this our cover letter requesting authorization to discharge under the NHG58000 General Permit, part II. Discharge meets the General Permit requirements, and there have been no changes since the facility was covered in 2010. The "Application Complete" letter is included.

If you require further information, please contact.

Re: Publicly Owned Treatment Works General NPDES Permit No. NHG580935-
Merrimack County Nursing Home Wastewater Treatment Facility

Dear Mr. Colcord:

This letter acknowledges your submittal of a Notice of Intent (NOI), dated March 8, 20010, for coverage under the Publicly Owned Treatment Works General NPDES Permit (POTW GP) No. NHG580935. Your NOI has been received and reviewed by this office. The information submitted appears to be complete and will be kept at our offices until such a time as the POTW GP is reissued. Since you submitted a timely and complete NOI, coverage of the discharge from your facility under the current POTW GP is administratively continued until a new permit is issued, in accordance with the Administrative Procedure Act (5 U.S.C. 558(c)) and 40 CFR §122.6. Please be advised that upon reissuance of the POTW GP, an NOI for coverage will need to be submitted in accordance with the notification requirements of that permit.

Please note that should you make any change to you processes that you believe may affect your coverage under the final permit, please contact Meridith Timony of my staff at (617) 918-1533 to discuss those changes.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian Pitt", is located below the word "Sincerely,".
