Description: IAC 567-22.11 is a new subrule within 567-Chapter 22. The language was moved from 567-Chapter 28 during the Iowa Executive Order 10 revisions in order to consolidate chapters. While the subrule is new, the language is not and the redline reflects changes made from when the language was in 567-Chapter 28. Revisions include minor language updates.

Difference Between the State and EPA-Approved Regulation:

None.
