Technical Review of Application

Dear Mr Hurst,

The United States Environmental Protection Agency, Region 9 (EPA) has conducted a technical evaluation of the Site Characterization and Emergency and Remedial Response Plan for the subject permit application. Based on this evaluation, we have identified additional information or clarification needed for continued evaluation of the permit application. These comments are included in the two Enclosures.

Please submit the information requested in the Enclosures by December 5, 2022. If you have any questions about this letter and the Enclosures, please contact me at (415) 972-3971, or Elise Nord at (415) 972-3079.

Sincerely,

David Albright  
Manager, Groundwater Protection Section
