OBJECTIVE

I oversee the daily affairs of our Local Union, protect work jurisdiction in our area, and represent the interests of 1600 union members in the plumbing, pipefitting, and service industry in Washtenaw County. My objective is to provide skilled, qualified manpower to signatory contractors. Local 190 members are trained in various forms of plumbing and HVAC service techniques including geothermal, heat pumps, and other GREEN technology.

EXPERIENCE

2020-Present

Business Manager – UA Local 190 Plumbers & Pipefitters

2011-2019

UA 190 Apprenticeship Program Training Coordinator

2010-2015

Instructor – UA Local 190 Apprenticeship Program

2006-2011

Journeyman Plumber/Pipefitter – Various Contractors

2001-2006

Apprentice Plumber/Pipefitter – Various Contractors

COMMUNICATION

I work with city and county officials along with state representatives to help utilize manpower in the effort to update the infrastructure in Washtenaw County including the use of GREEN technology.

EDUCATION

Washtenaw Community College

Ann Arbor

MI

Associate Degree in Applied
Science – 2006

Associate Degree in Applied
Science-Industrial Training -
2014

KEY SKILLS

- PROJECT MANAGEMENT
- NEGOTIATIONS
- SOCIAL MEDIA
- OFFICE & COMPUTER
MANAGEMENT
- DECISION MAKING

LEADERSHIP

I lead an organization that invests over a \$1,000,000.00 yearly to train apprentices over a 5 year period in the fields of plumbing, pipefitting and HVAC service. Through classroom and on-the-job training, apprentices become licensed through the State of Michigan in plumbing as well as receive qualifications for installations of GREEN equipment including heat pumps and geothermal systems.
