RE: "Climate Pollution Reduction Grants Program: Implementation Grants General Competition"
Project

To whom it may concern:

The Arizona Board of Regents for and on behalf of Northern Arizona University (NAU) is pleased to submit this letter as confirmation, that NAU is committed to participating on the proposal in response to the EPA Climate Pollution Reduction Grants Program: Implementation Grants General Competition opportunity. If the proposal, with the subcontract under the direction of Dr. Erik Nielsen entitled, "NAU ABOR Climate Pollution Reduction grant: On site solar and battery and fleet electrification" is selected for funding, it is our intent to collaborate and/or commit resources as detailed in the scope of work provided in the proposal.

NAU commits their efforts for the entire time period covered by the proposal from 11/01/2024 to 10/31/2029. It is our understanding that NAU will be allocated funds for \$16,423,602 for their efforts as described above and in proposal narrative. NAU looks forward to being able to contribute to this project.

In signing below and offering to participate in this research program, NAU certifies that neither they nor their principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from receiving funds from any federal department or agency and are not delinquent on any federal debt; they are in compliance with the Drug Free Workplace Act of 1988; they are in compliance with U.S. Code, Section 1352, restrictions on the use of federal funds for the purpose of lobbying; they have filed annually with the Office of Scientific Integrity a PHS form 6349 governing Misconduct in Science; they have filed with DHHS compliance offices certification forms governing Civil Rights (441), Handicapped Individuals (641), Sex Discrimination (639-A), and Age Discrimination (680); they are in compliance with PHS policy governing Program Income; they have established policies in compliance with 45 CFR Part 46, Subpart A (protection of human subjects); the Animal Welfare Act (PL-89-544 as amended) and the Health Research Exchange Act of 1985 (Public Law 99-158); and that they are in compliance with NIH guidelines regarding human pluripotent stem cell research, transplantation of fetal tissue, recombinant DNA and human gene transfer research, and inclusion of women, children & minorities in research.

NAU looks forward to being able to contribute to this project.

Sincerely,

A handwritten signature in black ink that reads "Kayla R Gundrum". The signature is written in a cursive, flowing style.
