Subject: Letter of Intent to Sign Coalition MOA for Arkansas and Oklahoma Clean Transportation Connection (NOFO EPA-R-OAR-CPRGI-23-07)

Dear Administrator Regan,

The Oklahoma Department of Environmental Quality submits this letter of intent for the State of Arkansas' coalition application entitled "Arkansas and Oklahoma Clean Transportation Connection" in response to EPA's Notice of Funding Opportunity (NOFO) No. EPA-R-OAR-CPRGI-23-07. As required by the NOFO, as a member of the coalition we intend to enter into a Memorandum of Agreement with the Arkansas Department of Energy and Environment (E&E) that sets forth the specific roles and responsibilities of each partner agency as well as the other information called for by the NOFO. E&E expects to submit this MOA no later than July 1, 2024.

We are pleased to join E&E in this coalition application and thank you for your consideration.

Sincerely,

Scott Thompson, Executive Director
Oklahoma Department of Environmental Quality
