Ms. Anna Roach  
Atlanta Regional Commission  
229 Peachtree ST NE, Suite 100  
Atlanta, Georgia 30303

Dear Ms. Roach:

I am writing to express Chatham County's support to be part of the coalition application with the Atlanta Regional Commission (ARC) for a statewide E-Bike Rebate Program under the United States Environmental Protection Agency's (EPA) Climate Pollution Reduction Grant. We firmly believe in the significance of implementing sustainable transportation solutions throughout Georgia and look forward to partnering with ARC on this innovative new opportunity.

The ARC's statewide E-Bike Rebate Program represents a significant move forward to address Georgia's environmental challenges. By accelerating the adoption of E-Bikes across diverse communities in Chatham County, this program promises to reduce greenhouse gases, shift solo car trips to bike trips, and promote access to mobility in disadvantaged communities on a scale that goes beyond regional boundaries.

Furthermore, Chatham County is aware of the necessary Memorandum of Agreement required for implementation to facilitate the successful completion of the application process.

Thank you for considering our endorsement of this important initiative. We are eager to collaborate and contribute to the realization of a cleaner, greener, more connected Georgia.

Sincerely,

Michael A. Kaigler  
County Manager
