The Honorable Michael S. Regan
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Dear Administrator Regan,

I am pleased to write this letter encouraging the full and fair consideration of the application from the Atlanta Regional Commission (ARC) for U.S. Environmental Protection Agency Climate Pollution Reduction Implementation Grants program funding.

If awarded, ARC will use this funding to establish an e-bike voucher initiative for low and moderate-income residents in the metropolitan Atlanta area to help cut commuting expenses and substitute solitary car journeys with a no-emission alternative for work, groceries, and local recreational trips. Further, ARC will also implement a universal basic mobility program for low-income residents in metropolitan Atlanta to bolster efforts to enhance mobility and transportation equity, improve public health, and cut greenhouse emissions.

I encourage your full and fair consideration of this application, consistent with all agency rules and regulations. If you have any questions, please contact Tyler Hofmann-Reardon at (202) 224-3643 or tyler_hofmann-reardon@warnock.senate.gov.

Sincerely,

Reverend Raphael Warnock
United States Senator
