

Mayor Pro Tem- Seth Clark  
Macon-Bibb County Commission  
District Five  
700 Poplar Street  
Macon, Ga. 31201

March 25, 2024

To Whom It May Concern:

I am writing this letter to express Macon-Bibb County's intention and excitement to participate in the Climate Pollution Reduction Grant and E-bike Voucher Program.

Macon-Bibb County is the 4th largest municipality in Georgia. It is home to over 160,000 residents and has one of the more vibrant urban cores in the state. In the past 4 years, local government and civic organizations have focused on increasing tourism to Macon-Bibb.

Two major projects the municipality and community stand out as relevant to the intention to offset greenhouse gas emissions in the E-Bike Voucher Program. We have just opened the second largest amphitheater in the state of Georgia. The other project is the anticipated Congressional designation of the Ocmulgee Mounds National Historical Park as the next National Park in the United States.

Both projects are intended to increase tourism in middle Georgia, and as such, we believe this participation in this program would help us offset the accompanying greenhouse emissions of the vehicles visiting our beautiful city and protect the quality of life our citizens deserve.

Please consider this letter as a formal request to participate in the is program. Thank you.

In Service,

Seth Clark  
Mayor Pro Tempore  
Macon-Bibb County
