Organization: Association of Bay Area Governments (ABAG)

Primary Contact Name: Jane Elias

Phone Number: 415-778-4428

Email Address: jelias@bayareametro.gov

Type of Application: Lead Application for Coalition

Funding Requested: \$98,195,472

Application Title: Bay Area Clean Homes Initiative (BACHI)

Brief Description of GHG Measures: This coalition measure would reduce GHG emissions through full electrification of single-family and small multi-family buildings in LIDACs across the nine-county Bay Area region while addressing systemic barriers to scaling decarbonization. The proposal seeks to accomplish this by building capacity of home rehabilitation partners, retrofitting and upgrading buildings, streamlining permitting, and engaging stakeholders.

Sector: Commercial and Residential Buildings

Expected Total Cumulative GHG Emission Reductions:

Estimated cumulative GHG reductions for 2025-2030 (in metric tons): 12,560 CO₂e

Estimated cumulative GHG reductions from 2025-2050 (in metric tons): 3,422,000 CO₂e

Location: Disadvantaged communities across the 9 county Bay Area (Counties of Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma).
