Devin Clarke

(he/him/his)

Senior Transportation Planner

MetroCOG

Relevant Experience

**Johnson's Creek Living Shoreline & Public
Access Project**

MetroCOG, *Ongoing*

- Oversees planning of a project that will mitigate flooding, provide ecosystem restoration, water quality improvements, contaminated soils remediation, and include waterfront recreation improvements to 3 municipal waterfront properties.

**Stratford Main Street Complete Street
Improvements – Phase I & II**

MetroCOG, *Ongoing*

- Manages the introduction of active transportation improvements along the Town's main thoroughfare through safe pedestrian, cycling, and transit facilities. The project also includes storm water & green infrastructure improvements.

**MetroShare Active Transportation &
Micromobility**

MetroCOG, *2019-2023*

- Collaborated with Greater Bridgeport Transit to introduce shared micromobility transportation services across several municipalities, since 2019.
