Cathy Fletcher

(she/her/hers)

Urban Planner

City of Bridgeport

Relevant Experience

SW Connecticut PCAP, CPRG (US EPA)

City of Bridgeport, Ongoing

- Spearheaded LIDAC community engagement while supporting the development and implementation of Climate Action Planning to reduce GHG emissions for the Bridgeport-Stamford-Norwalk MSA.

Reconnecting Communities (USDOT)

MetroCOG, Ongoing

- Leads the City's long-term strategic planning in areas such as greenhouse gas reduction, climate change resiliency, and Complete Streets, laying the groundwork for future implementation funding.

Environmental Advising (State of CT)

City of Bridgeport, Ongoing

- Represents the City in state advisory committees, including CT Governor's Council on Climate Change (GC3) Mitigation Working Group and CT DEEP Environmental Justice Mapping Tool Advisory Committee to shape climate mitigation and environmental justice strategies at the state level.
