RE: Letter of Commitment for Climate Pollution Reduction Implementation Grant (CPRG) - Decarbonize DRCOG

Please accept this letter as documentation of our organization's commitment to actively support the success of the Decarbonize DRCOG proposal. Our organization recognizes the need for collaborative action to achieve meaningful climate goals, and we believe that the Decarbonize DRCOG initiative effectively addresses this priority. If this project is awarded, we are fully committed to contributing our expertise, tools, and resources to support the success of this groundbreaking initiative.

The signature of this letter signifies our commitment to one or more of the following actions:

- *Engagement in community outreach campaign development efforts to raise awareness about the importance of building decarbonization and promote career opportunities in the field to members and the broader community.*
- *Co-create and support the development of regionally coordinated marketing and engagement campaigns with DRCOG and other inter-related economic systems informed by the realities in the construction industry delivering decarbonization products and services to consumers and businesses.*
- *Support for apprenticeship training, hiring, and placement programs to provide hands-on training and skill development in building decarbonization trades.*
- *Collaboration on curriculum development initiatives to ensure that training programs align with industry standards and emerging trends in building decarbonization.*
- *Support workforce development for new entrants and existing participants in the building decarbonization industry.*
- *Co-design programs and initiatives in partnership with Decarbonize DRCOG to address contractors' and workers' specific needs and challenges.*

We are excited about the transformative potential of this initiative and look forward to working closely with DRCOG and other stakeholders to advance our collective climate mitigation efforts.
